SECTION 1: Procurement Process

1.1 Background

The Mississippi Department of Child Protection Services (MDCPS) was created as the state's lead child welfare agency by the 2016 Mississippi Legislature, separating it from the Mississippi Department of Human Services. The mission of MDCPS is to lead Mississippi's efforts in keeping children and youth safe and thriving by:

- strengthening families;
- preventing child abuse, neglect and exploitation; and,
- promoting child and family well-being and permanent family connections.

The Mississippi Department of Child Protection Services is seeking to procure consulting services for administration of child welfare practices that increase placement stability, kinship support, and timely permanency. These consulting services should include specific services dealing with child welfare. This solicitation aims to select vendors to provide specified services. The vendor must be willing to commit to their roles, engage in evidence-based practices, and collaborate with MDCPS on business practices and navigating federal law and regulations to meet the MDCPS mission. Additional information about the services the Agency is seeking can be found in Section 2 of this RFP.

1.18 Right to Reject Proposals

MDCPS reserves the right to reject any and all proposals during any step of the procurement process, even after negotiations have begun. MDCPS reserves the right to reject any and all proposals where the Offeror takes exception to the terms and conditions of the RFP and/or fails to meet the terms and conditions and/or in any way attempts to limit the rights of MDCPS and/or the State of Mississippi, including, but not limited to, the required contractual terms and provisions set forth in this RFP.

Any such price adjustment will be effective only once per 12-month period, on the anniversary of the contract start date. If the CPI-U is a negative number, no adjustment in price shall be allowed. The Offeror shall prepare a complete copy of the proposal (as required by Sections 3.3.1, 3.3.2, 3.3.3, 3.3.4, and 3.3.5) and redact any information the Offeror deems to be a Trade Secret. For additional information about what constitutes a Trade Secret, see Section 1.8 of this RFP and Miss. Code Ann. §§ 25-61-1, *et seq.* and 79-23-1. The redacted copy of the complete proposal shall be considered the “Public Copy” of the Offeror’s proposal.

The Public Copy of the proposal is considered a public record and is subject to release by MDCPS without notice to the Offeror pursuant to Miss. Code Ann. §§ 25-61-1 *et seq.* MDCPS may release the Public Copy pursuant to requests under the Mississippi Public Records Act or any other reason deemed necessary by MDCPS. Should the Offeror be awarded a contract, the Public Copy will also be posted to the Transparency Mississippi website.

If an Offeror does not submit a Public Copy, the Agency will consider the proposal submitted in response to Sections 3.3.1, 3.3.2, 3.3.3, 3.3.4, and 3.3.5, to be the Public Copy and subject to being released, in full, without notice to the Offeror.

SECTION 4: Evaluation and Award

MDCPS will evaluate Offerors' proposals in three steps.

4.1 Step One: Determination of Responsive and Responsible Offerors

Proposals will be reviewed to determine whether the Offeror will be deemed responsive and responsible. Proposals which do not comply with the minimum specifications may be deemed Non-Responsive or Not Responsible and rejected immediately, receiving no further consideration. The Offeror shall be notified in writing if their proposal is deemed Non-Responsive and/or Not Responsible and is thereby rejected.

4.1.1 Responsive Respondent

Offeror must submit a proposal which conforms in all material respects to this RFP, as determined by MDCPS.

Nonconforming Terms and Conditions: A proposal response that includes terms and conditions that do not conform to the terms and conditions in the proposal document is subject to rejection as non-responsive. MDCPS reserves the right to permit the Offeror to withdraw nonconforming terms and conditions from its proposal response prior to a determination by MDCPS of non-responsiveness based on the submission of nonconforming terms and conditions.

Conditioning Proposal Upon Other Awards: Any proposal which is conditioned upon receiving award of both the particular contract being solicited and another Mississippi contract shall be deemed non-responsive and not acceptable.

4.1.2 Responsible Respondent

Offeror must have capability in all respects to perform fully the contract requirements and the integrity and reliability which will assure good faith performance, as determined by MDCPS. At a minimum, an Offeror must meet or exceed the minimum qualifications as stated in Section 3.3.2 to be deemed responsible.

4.2 Step Two: Evaluation Committee

Proposals that satisfactorily complete Step One will be reviewed and analyzed by an evaluation committee to determine if the proposal adequately meets the needs of MDCPS. The evaluation committee will award points using the factors listed below. There are a total of 100 points available.

4.2.1 Technical Factors (Proposed Methodology) - 33 Points (33%)

- Does the offeror's proposal demonstrate a clear understanding of the scope of work and related objectives? (Does the offeror understand what work needs to be done?) (12 points)
- Has the past performance of the offeror's proposed methodology been documented? (Has the offeror done this work in the past?) (8 points)
- Does the proposal include quality control and assurance programs? (Does the offeror have, or can they keep, valid workers?) (13 points)

4.2.2 Cost Factors (Price) – 35 Points (35%)

- Points awarded for price will be calculated utilizing the formula documented in Attachment M.

4.2.3 Management Factors – 32 Points (32%)

- History and experience in performing the work: (10 points)
- Does the offeror document a record of reliability? (4 points)
- Does the offeror demonstrate a track record of service as evidenced by on-time, on budget, and contract compliance performance? (5 points)
- Does the offeror document industry or program experience? Has the offeror dealt with state contracts in the past? (5 points)
- Availability of personnel, facilities, equipment, and other resources: (8 points)

4.3 Step Three: Negotiation

MDCPS will contact the Offerors with proposals which best meets the agency's needs (based on factors evaluated in Step Two) and may attempt to negotiate an agreement that is deemed acceptable to both parties.

4.3.1 Negotiating with Next-Ranked Vendor

Should negotiations discussed in Section 4.3 fail to result in a contract that is acceptable to both parties, or the State ceases doing business with any Contractor selected through this RFP process for any reason, the State reserves the right to initiate negotiations with the next-ranked vendor.

4.4 Award

Following evaluation, the Agency will issue a Notice of Intent to Award to the responsible Offerors whose proposal is determined, in writing, to be the most advantageous to the State, taking into consideration price and the evaluation factors set forth in the RFP. No other factors or criteria shall be used in the evaluation.

4.4.1 Notice of Intent to Award

The Notice of Intent to Award for this procurement will be made available to the public through posting on the Mississippi Contract/Procurement Opportunity Search Portal website and the agency website. All participating Offerors will be notified in writing of MDCPS' intent to award a contract and identify the selected Offeror.

4.4.2 Notice of Contract Award

Following issuance of the Notice of Intent to Award, successful negotiation of the contract, and approval of the contract by the Public Procurement Review Board and any other required entities, MDCPS shall make a Notice of Contract Award available to the public.

SECTION 5: Debriefing Information

5.1 Post-Award Vendor Debriefing

A respondent, successful or unsuccessful, may request a post-award debriefing, in writing, by U.S. mail or electronic submission. The written request must be received by the Chief Procurement Officer, LaShunda Williams of MDCPS, within three (3) business days of notification of the contract award. A post-award debriefing is a meeting and not a hearing; therefore, legal representation is not required. A debriefing typically occurs within three (3) business days of receipt of the request. If a respondent prefers to have legal representation present, the respondent must notify the Chief Procurement Officer, LaShunda Williams, in writing and identify its attorney by name, address, and telephone number. MDCPS will schedule and/or suspend and reschedule the meeting at a time when a Representative of the Office of the Mississippi Attorney General can be present.

At a minimum, the debriefing information shall include the following:

1. The agency's evaluation of significant weaknesses or deficiencies in the vendor's bid, proposal, or qualifications, if applicable;
2. The overall evaluated cost or price, and technical rating, if applicable, of the successful vendor(s) and the debriefed vendor;
3. The overall ranking of all vendors, when any ranking was developed by the agency during the selection process;
4. A summary of the rationale for award; and,
5. Reasonable responses to relevant questions about selection procedures contained in the solicitation, applicable regulations, and other applicable authorities that were followed.

For additional information regarding Post-Award Debriefing, as well as the information that may be provided and excluded, please see Section 7-113, Post-Award Vendor Debriefing, of the *Public Procurement Review Board Office of Personal Service Contract Review Rules and Regulations* as updated and replaced by PPRB.

Independent Contractor shall comply with applicable federal, state,

and local laws and regulations.

9. Availability of Funds. It is expressly understood and agreed that the obligation of MDCPS to proceed under this agreement is conditioned upon the appropriation of funds by the Mississippi State Legislature and the receipt of state and/or federal funds. If the funds anticipated for the continuing fulfillment of the agreement are, at any time, not forthcoming or are insufficient, either through the failure of the federal government to provide funds or the failure of the State of Mississippi to appropriate funds or the discontinuance or material alteration of the program under which funds were provided or if funds are not otherwise available to MDCPS, MDCPS shall have the right, upon ten (10) working days written notice to Independent Contractor, to terminate this agreement without damage, penalty, cost, or expenses to MDCPS of any kind whatsoever. The effective date of termination shall be as specified in the notice of termination.

All general liability, professional liability, employee dishonesty, and fidelity bond insurance will provide coverage to MDCPS as an additional insured. MDCPS reserves the right to request from carriers, certificates of insurance regarding the required coverage. Insurance carriers must be licensed or hold a Certificate of Authority from the Mississippi Department of Insurance.
12. Indemnification. In the State's sole discretion, Independent Contractor may be allowed to control the defense of any such claim, suit, etc. In the event Independent Contractor defends said claim, suit, etc., Independent Contractor shall use legal counsel acceptable to the State. Independent Contractor shall be solely responsible for all costs and/or expenses associated with such defense, and the State shall be entitled to participate in said defense. Independent Contractor shall not settle any claim, suit, etc. without the State's concurrence, which the State shall not unreasonably withhold.

13. Stop Work Order.

- 1) Order to Stop Work: MDCPS may, by written order to Independent Contractor at any time, and without notice to any surety, require Independent Contractor to stop all or any part of the work called for by this contract. This order shall be for a specified period not exceeding 90 days after the order is delivered to Independent Contractor, unless the parties agree to any further period. Any such order shall be identified specifically as a stop work order issued pursuant to this clause. Upon receipt of such an order, Independent Contractor shall forthwith comply with its terms and take all reasonable steps to minimize the occurrence of costs allocable to the work covered by the order during the period of work stoppage. Before the stop work order expires, or within any further period to which the parties shall have agreed, MDCPS shall either:
 - a) cancel the stop work order; or,
 - b) terminate the work covered by such order as provided in the Termination for Default clause or the Termination for Convenience clause of this contract.
- 2) Cancellation or Expiration of the Order: If a stop work order issued under this clause is canceled at any time during the period specified in the order, or if the period of the order or any extension thereof expires, Independent Contractor shall have the right to resume work. An appropriate adjustment shall be made in the delivery schedule or Independent Contractor price, or both, and the contract shall be modified in writing accordingly, if:
 - a) the stop work order results in an increase in the time required for, or in Independent Contractor's cost properly allocable to, the performance of any part of this contract; and,
 - b) Independent Contractor asserts a claim for such an adjustment within 30 days after the end of the period of work stoppage; provided that, if MDCPS decides that the facts justify such action, any such claim asserted may be received and acted upon at any time prior to final payment under this contract.
- 3) Termination of Stopped Work: If a stop work order is not canceled and the work covered by such order is terminated for default or convenience, the reasonable costs resulting from the stop work order shall be allowed by adjustment or otherwise.
- 4) Adjustments of Price: Any adjustment in contract price made pursuant to this clause shall be determined in accordance with the Price Adjustment clause of this contract.

14. **Termination.** The Commissioner may terminate this contract with or without cause upon thirty (30) days prior written notice to the Independent Contractor.

15. Termination for Convenience.

- 1) *Termination.* The Commissioner or designee may, when the interests of the State so require, terminate this contract in whole or in part, for the convenience of the State. The Commissioner or designee shall give written notice of the termination to Independent

Contractor specifying the part of the contract terminated and when termination becomes effective.

- 2) *Independent Contractor's Obligations.* Independent Contractor shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination Independent Contractor will stop work to the extent specified. Independent Contractor shall also terminate outstanding orders and subcontracts as they relate to the terminated work. Independent Contractor shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated work. The Commissioner or designee may direct Independent Contractor to assign Independent Contractor's right, title, and interest under terminated orders or subcontracts to the State. Independent Contractor must still complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.

16. Termination for Default.

- 1) *Default.* If Independent Contractor refuses or fails to perform any of the provisions of this contract with such diligence as will ensure its completion within the time specified in this contract or any extension thereof, or otherwise fails to timely satisfy the contract provisions, or commits any other substantial breach of this contract, the Commissioner or designee may notify Independent Contractor in writing of the delay or nonperformance and, if not cured in ten (10) days or any longer time specified in writing by the Commissioner or designee, such officer may terminate Independent Contractor's right to proceed with the contract or such part of the contract as to which there has been delay or a failure to properly perform. In the event of termination in whole or in part, the Commissioner or designee may procure similar supplies or services in a manner and upon terms deemed appropriate by the Commissioner or designee. Independent Contractor shall continue performance of the contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services.
- 2) *Contractor's Duties.* Notwithstanding termination of the contract and subject to any directions from the procurement officer, Independent Contractor shall take timely, reasonable, and necessary action to protect and preserve property in the possession of Independent Contractor in which the State has an interest.
- 3) *Compensation.* Payment for completed services delivered and accepted by the State shall be at the contract price. The State may withhold from amounts due Independent Contractor such sums as the Commissioner or designee deems to be necessary to protect the State against loss because of outstanding liens or claims of former lien holders and to reimburse the State for the excess costs incurred in procuring similar goods and services.
- 4) *Excuse for Nonperformance or Delayed Performance.* Except with respect to defaults of subcontractors, Independent Contractor shall not be in default by reason of any failure in performance of this contract in accordance with its terms (including any failure by Independent Contractor to make progress in the prosecution of the work hereunder which endangers such performance) if Contractor has notified the Commissioner or designee within 15 days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of the public enemy; acts of the State and any other governmental entity in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the

failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, Independent Contractor shall not be deemed to be in default, unless the services to be furnished by the subcontractor were reasonably obtainable from other sources in sufficient time to permit Independent Contractor to meet the contract requirements. Upon request of Independent Contractor, the Commissioner or designee shall ascertain the facts and extent of such failure, and, if such officer determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, Independent Contractor's progress and performance would have met the terms of the contract, the delivery schedule shall be revised accordingly, subject to the rights of the State under the clause entitled in fixed-priced contracts, "Termination for Convenience". (As used in this Paragraph of this clause, the term "subcontractor" means subcontractor at any tier).

- 5) *Erroneous Termination for Default.* If, after notice of termination of Independent Contractor's right to proceed under the provisions of this clause, it is determined for any reason that the contract was not in default under the provisions of this clause, or that the delay was excusable under the provisions of Paragraph (4) (Excuse for Nonperformance or Delayed Performance) of this clause, the rights and obligations of the parties shall, if the contract contains a clause providing for termination for convenience of the State, be the same as if the notice of termination had been issued pursuant to such clause.
- 6) *Additional Rights and Remedies.* The rights and remedies provided in this clause are in addition to any other rights and remedies provided by law or under this contract.
17. Termination Upon Bankruptcy. This contract may be terminated in whole or in part by MDCPS upon written notice to Independent Contractor, if Independent Contractor should become the subject of bankruptcy or receivership proceedings, whether voluntary or involuntary, or upon the execution by Independent Contractor of an assignment for the benefit of its creditors. In the event of such termination, Independent Contractor shall be entitled to recover just and equitable compensation for satisfactory work performed under this contract, but in no case shall said compensation exceed the total contract price.
18. Modification or Renegotiation. This agreement may be modified only by written agreement signed by the parties hereto. The parties agree to renegotiate the agreement if federal and/or state revisions of any applicable laws or regulations make changes in this agreement necessary. Modifications shall not be initiated by the Independent Contractor within the last 90 days of the contract period, without prior approval from the Commissioner's Office.
19. Price Adjustment. Any price adjustment of this contract shall be done in accordance with Section 1.19.4 of the Request for Proposals.
20. Anti-assignment/Subcontracting. Contractor acknowledges that it was selected by the State to perform the services required hereunder based, in part, upon Contractor's special skills and expertise. Contractor shall not assign, subcontract, or otherwise transfer this agreement, in whole or in part, without the prior written consent of the State, which the State may, in its sole discretion, approve or deny without reason. Any attempted assignment or transfer of its obligations without such consent shall be null and void. No such approval by the State of any subcontract shall be deemed in any way to provide for the incurrence of any obligation of the State in addition to the
