SECTION 1: Procurement Process

1.1 Background

The Mississippi Department of Child Protection Services was created as the state's lead child welfare agency by the 2016 Mississippi Legislature, separating it from the Mississippi Department of Human Services. The mission of MDCPS is to lead Mississippi's efforts in keeping children and youth safe and thriving by:

- strengthening families;
- preventing child abuse, neglect and exploitation; and,
- promoting child and family well-being and permanent family connections.

The vendor must be willing to commit to their roles, engage in evidence-based practices, and collaborate with MDCPS on referrals, admissions, discharges, placement transitions and aftercare recommendations/services. Additional information about the services the Agency is seeking can be found in Section 2 of this RFP.

SECTION 2: Scope of Services and Requirements

2.1 Purpose

The Mississippi Department of Child Protection Services (MDCPS) seeks to engage vendors who will actively participate in the MDCPS Continuum of Care (CoC). This solicitation aims to select award recipients to deliver specified services outlined in the proposal. Vendors can submit proposals to operate either a single facility or multiple facilities. Chosen agencies will undergo an organizational needs assessment, receive training for foster caregivers and staff, and review policies to better support and sustain the needs of the youth.

The MDCPS Continuum of Care is a network of partnering agencies working together to protect children and provide a comprehensive range of family-centered services. These services cater to children at all levels of involvement with the child protection system, covering prevention services, medical and legal support, licensed foster homes, and residential treatment settings.

When out-of-home placements are deemed necessary, the CoC ensures that children and youth are placed in quality therapeutic foster homes that are safe, licensed, child and family-centered, and trauma-informed. The CoC's goal is to establish and maintain a robust statewide partnership of organizations serving children and youth in foster care, aiming to significantly reduce placement disruptions, decrease congregate care placements, and achieve permanency.

Each partnering agency within the CoC commits to its designated service role as per the contract and is required to engage in evidence-based practices that promote physical and psychological safety, shared parenting, and a culture of trauma awareness. Agencies must also actively collaborate with MDCPS on youth admissions and discharge transitions, ensuring that youth are not denied admission or discharge based on agreed contract criteria.

It is understood that any contract resulting from this RFP may require approval by the Public Procurement Review Board (PPRB). If any contract resulting from this RFP is not approved by MDCPS and/or PPRB (if required), it is void and no payment shall be made.

2.2 Scope of Services

The MDCPS Continuum of Care (CoC) serves as a network of partnering agencies that work collectively to ensure that children are protected and are provided with a wide range of family-centered services that meet their needs at any level of involvement with the child protection system. Ultimately, the CoC network of partner providers spans the entire spectrum of child protection services to include prevention services, medical and legal supports, licensed foster homes, and residential treatment settings.

When out-of-home placements have been deemed in the best interest of the child, the CoC ensures that children and youth are provided with quality therapeutic foster homes that are safe, licensed, child and family-centered, and trauma-informed. Moreover, the CoC purpose is to establish and maintain a robust statewide partnership consisting of organizations that serve children and youth in foster care that are committed to significantly decreasing overall placement disruptions, reducing congregate care placements, and achieving permanency.

As a part of the Continuum of Care, each partnering agency commits to its designated service role (according to the contract) within the CoC and is required to engage in evidence-based practices that promote physical and psychological safety, shared parenting, a culture of trauma awareness, and actively collaborate with MDCPS regarding youth admissions and discharge transitions. In addition, CoC members agree to work diligently to ensure that youth are not denied admission and/or discharge based upon agreed contract criteria. Ultimately, CoC members actively coordinate with MDCPS and other members of the CoC regarding referrals, admissions, discharges, placement transitions, and aftercare recommendations/services. 4.3.1 Negotiating with Next-Ranked Vendor

Should negotiations discussed in Section 4.3 fail to result in a contract that is acceptable to both parties or the State ceases doing business with any Contractor selected through this RFP process, for any reason, the State reserves the right to initiate negotiations with the next ranked vendor.

4.4 Award

Following evaluation, the Agency will issue a Notice of Intent to Award to the responsible Offerors whose proposal is determined in writing, to be the most advantageous to the State taking into consideration price and the evaluation factors set forth in the RFP. SECTION 5: Debriefing Information

5.1 Post-Award Vendor Debriefing

If a respondent prefers to have legal representation present, the respondent must notify the Chief Procurement Officer, LaShunda Williams in writing and identify its attorney by name, address, and telephone number. Before the stop work order expires, or within any further period to which the parties shall have agreed, MDCPS shall either:
 - a) cancel the stop work order; or,
 - b) terminate the work covered by such order as provided in the Termination for Default clause or the Termination for Convenience clause of this contract.
- 2) Cancellation or Expiration of the Order: If a stop work order issued under this clause is canceled at any time during the period specified in the order, or if the period of the order or any extension thereof expires, Independent Contractor shall have the right to resume work. An appropriate adjustment shall be made in the delivery schedule or Independent Contractor price, or both, and the contract shall be modified in writing accordingly, if:
 - a) the stop work order results in an increase in the time required for, or in Independent Contractor's cost properly allocable to, the performance of any part of this contract; and,
 - b) Independent Contractor asserts a claim for such an adjustment within 30 days after the end of the period of work stoppage; provided that, if MDCPS decides that the facts justify such action, any such claim asserted may be received and acted upon at any time prior to final payment under this contract.
- 3) Termination of Stopped Work: If a stop work order is not canceled and the work covered by such order is terminated for default or convenience, the reasonable costs resulting from the stop work order shall be allowed by adjustment or otherwise.
- 4) Adjustments of Price: Any adjustment in contract price made pursuant to this clause shall be determined in accordance with the Price Adjustment clause of this contract.

16. **Termination.** The Commissioner may terminate this contract with or without cause upon thirty (30) days prior written notice to the Independent Contractor.

17. Termination for Convenience.

- 1) *Termination.* The Commissioner or designee may, when the interests of the State so require, terminate this contract in whole or in part, for the convenience of the State. The Commissioner or designee shall give written notice of the termination to Independent Contractor specifying the part of the contract terminated and when termination becomes effective.
- 2) *Independent Contractor's Obligations.* Independent Contractor shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination Independent Contractor will stop work to the extent specified. Independent Contractor shall also terminate outstanding orders and subcontracts as they relate to the terminated work. Independent Contractor shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated work. The Commissioner or designee may direct Independent Contractor to assign Independent Contractor's right, title, and interest under terminated orders or subcontracts to the State. Independent Contractor must still complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.

18. Termination for Default.

- 1) *Default.* If Independent Contractor refuses or fails to perform any of the provisions of this contract with such diligence as will ensure its completion within the time specified in this contract or any extension thereof, or otherwise fails to timely satisfy the contract provisions, or commits any other substantial breach of this contract, the Commissioner or designee may notify Independent Contractor in writing of the delay or nonperformance and if not cured in ten (10) days or any longer time specified in writing by the Commissioner or designee, such officer may terminate Independent Contractor's right to proceed with the contract or such part of the contract as to which there has been delay or a failure to properly perform. In the event of termination in whole or in part, the Commissioner or designee may procure similar supplies or services in a manner and upon terms deemed appropriate by the Commissioner or designee. Independent Contractor shall continue performance of the contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services.
- 2) *Contractor's Duties.* Notwithstanding termination of the contract and subject to any directions from the procurement officer, Independent Contractor shall take timely, reasonable, and necessary action to protect and preserve property in the possession of Independent Contractor in which the State has an interest.
- 3) *Compensation.* Payment for completed services delivered and accepted by the State shall be at the contract price. The State may withhold from amounts due Independent Contractor such sums as the Commissioner or designee deems to be necessary to protect the State against loss because of outstanding liens or claims of former lien holders and to reimburse the State for the excess costs incurred in procuring similar goods and services.

- 4) *Excuse for Nonperformance or Delayed Performance.* Except with respect to defaults of subcontractors, Independent Contractor shall not be in default by reason of any failure in performance of this contract in accordance with its terms (including any failure by Independent Contractor to make progress in the prosecution of the work hereunder which endangers such performance) if Contractor has notified the Commissioner or designee within 15 days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of the public enemy; acts of the State and any other governmental entity in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, Independent Contractor shall not be deemed to be in default, unless the services to be furnished by the subcontractor were reasonably obtainable from other sources in sufficient time to permit Independent Contractor to meet the contract requirements. Upon request of Independent Contractor, the Commissioner or designee shall ascertain the facts and extent of such failure, and, if such officer determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, Independent Contractor's progress and performance would have met the terms of the contract, the delivery schedule shall be revised accordingly, subject to the rights of the State under the clause entitled in fixed-priced contracts, "Termination for Convenience". (As used in this Paragraph of this clause, the term "subcontractor" means subcontractor at any tier).
- 5) *Erroneous Termination for Default.* If, after notice of termination of Independent Contractor's right to proceed under the provisions of this clause, it is determined for any reason that the contract was not in default under the provisions of this clause, or that the delay was excusable under the provisions of Paragraph (4) (Excuse for Nonperformance or Delayed Performance) of this clause, the rights and obligations of the parties shall, if the contract contains a clause providing for termination for convenience of the State, be the same as if the notice of termination had been issued pursuant to such clause.
- 6) *Additional Rights and Remedies.* The rights and remedies provided in this clause are in addition to any other rights and remedies provided by law or under this contract.
19. Termination Upon Bankruptcy. This contract may be terminated in whole or in part by MDCPS upon written notice to Independent Contractor, if Independent Contractor should become the subject of bankruptcy or receivership proceedings, whether voluntary or involuntary, or upon the execution by Independent Contractor of an assignment for the benefit of its creditors. In the event of such termination, Independent Contractor shall be entitled to recover just and equitable compensation for satisfactory work performed under this contract, but in no case shall said compensation exceed the total contract price.
20. Modification or Renegotiation. This agreement may be modified only by written agreement signed by the parties hereto. The parties agree to renegotiate the agreement if federal and/or state revisions of any applicable laws or regulations make changes in this agreement necessary. Modifications shall not be initiated by the Independent Contractor within the last 90 days of the contract period, without prior approval from the Commissioner's Office.
21. Price Adjustment. Any price adjustment of this contract shall be done in accordance with Section

1.19.4 of the Request for Proposals.

22. Anti-assignment/Subcontracting. Contractor acknowledges that it was selected by the State to perform the services required hereunder based, in part, upon Contractor's special skills and expertise. Contractor shall not assign, subcontract, or otherwise transfer this agreement, in whole or in part, without the prior written consent of the State, which the State may, in its sole discretion, approve or deny without reason. Any attempted assignment or transfer of its obligations without such consent shall be null and void. No such approval by the State of any subcontract shall be deemed in any way to provide for the incurrence of any obligation of the State in addition to the total fixed price agreed upon in this agreement. Subcontracts shall be subject to the terms and conditions of this agreement and to any conditions of approval that the State may deem necessary. Subject to the foregoing, this agreement shall be binding upon the respective successors and assigns of the parties.
23. Non-Solicitation of Employees. Each party to this agreement agrees not to employ or to solicit for employment, directly or indirectly, any persons in the full-time or part-time employment of the other party until at least six (6) months after this agreement terminates unless mutually agreed to in writing by the State or Contractor.
24. Waiver. No delay or omission by either party to this agreement in exercising any right, power, or remedy hereunder or otherwise afforded by contract, at law, or in equity shall constitute an acquiescence therein, impair any other right, power or remedy hereunder or otherwise afforded by any means, or operate as a waiver of such right, power, or remedy. No waiver by either party to this agreement shall be valid unless set forth in writing by the party making said waiver. No waiver of or modification to any term or condition of this agreement will void, waive, or change any other term or condition. No waiver by one party to this agreement of a default by the other party will imply, be construed as or require waiver of future or other defaults.
25. E-Payment. Independent Contractor agrees to accept all payments in United States currency via the State of Mississippi's electronic payment and remittance vehicle. The agency agrees to make payment in accordance with Mississippi law on "Timely Payments for Purchases by Public Bodies," which generally provides for payment of undisputed amounts by the agency within forty-five (45) days of receipt of invoice. Mississippi Code Annotated § 31-7-301 et seq.
26. E-Verify. If applicable, Independent Contractor represents and warrants that it will ensure its compliance with the Mississippi Employment Protection Act of 2008, and will register and participate in the status verification system for all newly hired employees. Mississippi Code Annotated §§ 71-11-1 et seq. The term "employee" as used herein means any person that is hired to perform work within the State of Mississippi. As used herein, "status verification system" means the Illegal Immigration Reform and Immigration Responsibility Act of 1996 that is operated by the United States Department of Homeland Security, also known as the E-Verify Program, or any other successor electronic verification system replacing the E-Verify Program. Independent Contractor agrees to maintain records of such compliance. Upon request of the State and after approval of the Social Security Administration or Department of Homeland Security when required, Independent Contractor agrees to provide a copy of each such verification. Independent Contractor further represents and warrants that any person assigned to perform services hereafter meets the employment eligibility requirements of all immigration laws. The breach of this agreement may subject Independent Contractor to the following:

- (1) termination of this contract for services and ineligibility for any state or public contract in Mississippi for up to three (3) years with notice of such cancellation/termination being made public;
- (2) the loss of any license, permit, certification or other document granted to Independent Contractor by an agency, department or governmental entity for the right to do business in Mississippi for up to one (1) year; or,
- (3) both. In the event of such cancellation/termination, Independent Contractor would also be liable for any additional costs incurred by the State due to Contract cancellation or loss of license or permit to do business in the State.

27. Transparency. This contract, including any accompanying exhibits, attachments, and appendices, is subject to the “Mississippi Public Records Act of 1983,” and its exceptions. See Mississippi Code Annotated §§ 25-61-1 *et seq.* and Mississippi Code Annotated § 79-23-1. In addition, this contract is subject to the provisions of the Mississippi Accountability and Transparency Act of 2008. Mississippi Code Annotated §§ 27-104-151 *et seq.* Unless exempted from disclosure due to a court-issued protective order, a copy of this executed contract is required to be posted to the Department of Finance and Administration’s independent MDCPS contract website for public access at <http://www.transparency.mississippi.gov>. Information identified by Independent Contractor as trade secrets, or other proprietary information, including confidential vendor information or any other information which is required confidential by state or federal law or outside the applicable freedom of information statutes, will be redacted.

28. Paymode. Payments by state agencies using the State’s accounting system shall be made and remittance information provided electronically as directed by the State. These payments shall be deposited into the bank account of Independent Contractor’s choice. The State may, at its sole discretion, require Independent Contractor to electronically submit invoices and supporting documentation at any time during the term of this Agreement. Independent Contractor understands and agrees that the State is exempt from the payment of taxes. All payments shall be in United States currency.

29. Notices. Any notice required or permitted to be given under this Agreement shall be in writing and personally delivered or sent by electronic means provided that the original of such notice is sent by certified United States mail, postage prepaid, return receipt requested, or overnight courier with signed receipt, to the party to whom the notice should be given at their business listed herein. Notice shall be deemed given when actually received or when refused. MDCPS and Independent Contractor agree to promptly notify each other in writing of any change of address.

30. Procurement Regulations. The contract shall be governed by the applicable provisions of the *Mississippi Public Procurement Review Board Office of Personal Service Contract Review Rules*

and Regulations, a copy of which is available at 501 North West Street, Suite 700, Jackson, Mississippi 39201 for inspection, or downloadable at <http://www.dfa.ms.gov/pprb/>.

31. Severability. If any term or provision of this Contract is prohibited by the laws of the State of Mississippi or declared invalid or void by a court of competent jurisdiction, the remainder of this Contract shall not be affected thereby and each term and provision of this Contract shall be valid and enforceable to the fullest extent permitted by law.
32. Trade Secrets, Commercial and Financial Information. It is expressly understood that Mississippi law requires that the provisions of this contract which contain the commodities purchased or the personal or professional services provided, the price to be paid, and the term of the contract shall not be deemed to be a trade secret or confidential commercial or financial information and shall be available for examination, copying, or reproduction.
33. Requirements Contract. During the period of the contract, Independent Contractor shall provide all the service described in the contract. Independent Contractor understands and agrees that this is a requirements contract and that MDCPS shall have no obligation to Independent Contractor if no services are required. Any quantities that are included in the scope of work reflect the current expectations of MDCPS for the period of the contract. The amount is only an estimate and Independent Contractor understands and agrees that MDCPS is under no obligation to Independent Contractor to buy any amount of the services as a result of having provided this estimate or of having any typical or measurable requirement in the past. Independent Contractor further understands and agrees that MDCPS may require services in an amount less than or in excess of the estimated annual contract amount and that the quantity actually used, whether in excess of the estimate or less than the estimate, shall not give rise to any claim for compensation other than the total of the unit prices in the contract for the quantity actually used.
34. Clean Air Act. The contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 et seq. The contractor agrees to report each violation to the Mississippi Department of Public Safety and understands and agrees that the Mississippi Department of Public Safety will, in turn, report each violation as required to assure notification to the U.S. Treasury, and the appropriate Environmental Protection Agency Regional Office. The contractor agrees to include these requirements in each subcontract exceeding \$150,000 financed in whole or in part with Coronavirus State and Local Fiscal Recovery Fund provided by the U.S. Treasury.
35. Federal Water Pollution Control Act. The contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the federal Water Pollution Control Act, as amended, 33 U.S.C. § 1251 et seq. The contractor agrees to report each violation to the Mississippi Department of Public Safety and understands and agrees that the Mississippi Department of Public Safety will, in turn, report each violation as required to assure notification to the U.S. Treasury, and the appropriate Environmental Protection Agency Regional Office. The contractor agrees to include these requirements in each subcontract exceeding \$150,000 financed in whole or in part with Coronavirus State and Local Fiscal Recovery Fund provided by the U.S. Treasury.
36. Debarment and Suspension Provision. This contract is a covered transaction for purposes of 2 C.F.R. Part 180 and 2 C.F.R. Part 3000. As such, the contractor is required to verify that none of

the contractor's principals (defined at 2 C.F.R. § 180.995) or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).

The contractor must comply with 2 C.F.R. Part 180, subpart C and 2 C.F.R. Part 3000, subpart C, and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.

This certification is a material representation of fact relied upon by MDCPS. If it is later determined that the contractor did not comply with 2 C.F.R. Part 180, subpart C and 2 C.F.R. Part 3000, subpart C, in addition to remedies available to MDCPS, the federal government may pursue available remedies, including but not limited to suspension and/or debarment.

The bidder or proposer agrees to comply with the requirements of 2 C.F.R. Part 180, subpart C and 2 C.F.R. Part 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.”

37. Contract Worker Hours and Safety Standards Act Provision. Compliance with the Contract Work Hours and Safety Standards Act.

a. (1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

b. (2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (b)(1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (b)(1) of this section, in the sum of \$27 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (b)(1) of this section.

c. (3) Withholding for unpaid wages and liquidated damages. MDCPS shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (b)(2) of this section.

d. (4) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (b)(1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (b)(1) through (4) of this section.

Further Compliance with the Contract Work Hours and Safety Standards Act.

a. The contractor or subcontractor shall maintain payrolls and basic payroll records during the course of the work and shall preserve them for a period of three years from the completion of the contract for all laborers and mechanics, including guards and watchmen, working on the contract. Such records shall contain the name and address of each such employee, social security number, correct classifications, hourly rates of wages paid, daily and weekly number of hours worked, deductions made, and actual wages paid.

b. Records to be maintained under this provision shall be made available by the contractor or subcontractor for inspection, copying, or transcription by authorized representatives of the Department of Homeland Security, the Federal Emergency Management Agency, and the Department of Labor, and the contractor or subcontractor will permit such representatives to interview employees during working hours on the job.

38. Byrd-Anti Lobbying Provision. Contractors who apply or bid for an award of more than \$100,000 shall file the required certification (Exhibit D). Each tier certifies to the tier above that it will not and has not used federally appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, officer or employee of Congress, or an employee of a Member of Congress in connection with obtaining any federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-federal funds that takes place in connection with obtaining any federal award. Such disclosures are forwarded from tier to tier up to the recipient who in turn will forward the certification(s) to the federal awarding agency.
39. Access to Records. The Contractor agrees to provide MDCPS, Inspectors General, the Comptroller General of the United States, or any of their authorized representative's access to any books, documents, papers, and records of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts, and transcriptions. The Contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.
40. Entire Agreement. This Contract constitutes the entire agreement of the parties with respect to the subject matter contained herein and supersedes and replaces any and all prior negotiations, understanding, and agreements, written or oral, between the parties relating thereto.
41. Approval Clause. It is understood that if this contract requires approval by the Public Procurement Review Board and/or the Mississippi Department of Finance and Administration Office of Personal Service Contract Review and this contract is not approved by the PPRB and/or OPSCR, it is void and no payment shall be made hereunder.
