If insufficient information is submitted by a Offeror with the qualification package for MDCPS to properly evaluate qualifications, MDCPS has the right to require such additional information as it may deem necessary after the time set for

receipt of qualifications, provided that the information requested does not change the price, quality, quantity, delivery, or performance time of the services being procured.

Any such price adjustment will be effective only once per 12-month period, on the anniversary of the contract start date. If the CPI-U is a negative number, no adjustment in price shall be allowed. A negative CPI-U shall be counted against any subsequent increases in the CPI-U when calculating any price adjustment relative to later contract years. The Contractor shall provide any support for the request for a price adjustment required by MDCPS. MDCPS has the sole discretion to determine whether a price adjustment will be allowed. In addition, Offerors should submit a detailed cost summary as a separate attachment to justify the rate provided.

3.3.5 Management Information

There are no requirements regarding identifying information in the Management response, and Offerors should feel free to include any identifying information it deems necessary for a complete statement of qualification.

Offerors should provide the following information in the Management section:

- Detailed approach to the management of the program and ability to keep the program on target and to ensure that the requested services are provided;

- Identification of in-house resources vs. contracted resources;
- Describe the experience of the firm in providing services of similar scope and size as those required by this RFQ (**Refer to Section 2.2**) and working with children and youth. Provide the number of years that the company has been providing services, and provide a statement on the extent of any corporate expansion required to handle the service;
- Documentation of experience in performing similar work by employees and when appropriate, sub-contractors and understanding the importance of interacting with the appropriate MDCPS staff and presenting a plan to do so appropriately;
- Resumes listing abilities, qualifications and experience of all other individuals who will be assigned to provide the required services; and
- Method(s) for estimating and documenting personnel hours spent by staff on program activities to be sure they are sound and fair (i.e., personnel, equipment, facilities, to perform the services currently available or demonstrated to be made available at the time of contracting).

3.3.6 Public Copy of Complete Qualification Package

The Offeror shall prepare a complete copy of the qualification package (as required by Sections 3.3.1, 3.3.2, 3.3.3, 3.3.4, and 3.3.5) and redact any information the Offeror deems to be a Trade Secret. For additional information about what constitutes a Trade Secret, see Section 1.8 of this RFQ and Miss. Code Ann. §§ 25-61-1, *et seq.* and 79-23-1. The redacted copy of the complete qualification package shall be considered the "Public Copy" of the Offeror's qualification package.

The Public Copy of the qualification package is considered a public record and is subject to release by MDCPS without notice to the Offeror pursuant to Miss. Code Ann. §§ 25-61-1 *et seq.* MDCPS may release the Public Copy pursuant to requests under the Mississippi Public Records Act or any other reason deemed necessary by MDCPS. Should the Offeror be awarded a contract, the Public Copy will also be posted to the Transparency Mississippi website.

If an Offeror does not submit a Public Copy, the Agency will consider the statement of qualification submitted in response to Sections 3.3.1, 3.3.2, 3.3.3, 3.3.4, and 3.3.5, to be the Public Copy and subject to being released, in full, without notice to the Offeror.

SECTION 4: Evaluation and Award

Application Review and Selection

Staff from MDCPS will conduct an initial review to ensure that the format requirements outlined in this RFQ have been fulfilled. If any of the material format or substantive requirements is missing or incorrect, the application may be disqualified.

All applications that pass the initial review will be submitted to an evaluation committee that shall evaluate and score the applications. The committee may consist of MDCPS staff, representatives from local advisory boards, and any other individuals that MDCPS deems capable and appropriate for the selection of potential providers. The committee shall not include potential contractors, and no committee member may apply or assist others in applying for this contract.

The purpose of the evaluation is to determine which applicants demonstrate the skills, expertise and experience to successfully perform the tasks specified in the RFQ. Each committee member will read and score each application using a standardized scoring instrument. The scoring instrument will reflect the requirements of the RFQ.

An applicant may not be recommended for funding, regardless of the merits of the application submitted, if it has a history of contract non-compliance with the requirements of MDCPS or other funding source or poor past or current contract performance with any MDCPS or other funding source. The applicant may be given a provisional award with the stipulation that special terms and conditions regarding the areas of concern will be a part of the contract.

The committee will make an award recommendation to the Commissioner, or designee, who will make the final recommendation to the Division of Procurement. Prior to making an award, the MDCPS may choose to conduct interviews with applicants. The purpose of the interviews would be to ask follow-up questions that may arise from the review committee and collect any additional information not gleaned from the RFQ responses. MDCPS may also request additional information necessary to determine the applicant's financial stability, ability to perform on schedule or willingness to incorporate additional features in the application, and any other relevant information necessary to make the award.

MDCPS will evaluate the Offerors' response in three steps.

4.1 Step One: Determination of Responsive and Responsible Offerors

Responses will be reviewed to determine whether the Offeror will be deemed responsive and responsible. Responses which do not comply with the minimum specifications may be deemed Non-Responsive or Not Responsible and rejected immediately, receiving no further consideration. The Offeror shall be notified in writing if their submission is deemed Non-Responsive and/or Not Responsible and is thereby rejected.

4.1.1 Responsive Respondent

Offeror must submit a response which conforms in all material respects to this RFQ, as determined by MDCPS.

Nonconforming Terms and Conditions: A response that includes terms and conditions that do not conform to the terms and conditions in the qualification document is subject to rejection as non-responsive. The MDCPS reserves the right to permit the Offeror to

withdraw nonconforming terms and conditions from its response prior to a determination by the MDCPS of non-responsiveness based on the submission of nonconforming terms and conditions.

Conditioning Qualifications Upon Other Awards: Any statement of qualification which is conditioned upon receiving award of both the particular contract being solicited and another Mississippi contract shall be deemed non-responsive and not acceptable.

4.1.2 Responsible Respondent

Offeror must have capability in all respects to perform fully the contract requirements and the integrity and reliability which will assure good faith performance, as determined by MDCPS. At a minimum, an Offeror must meet or exceed the minimum qualifications as stated in Section 3.3.2 to be deemed responsible.

4.2 Step Two: Evaluation Committee

Submissions that satisfactorily complete Step One will be reviewed and analyzed by an evaluation committee to determine if the response adequately meet the needs of MDCPS. The evaluation committee will award points using the factors listed below. There are a total of 100 points available.

4.2.1 Technical Factors (Proposed Methodology) - 33 Points (33%)

- Does the offeror demonstrate a clear understanding of the scope of work and related objectives? (Does the offeror understand what work needs to be done?) (15 points)
- Has the past performance of the offeror's proposed methodology been documented? (Has the offeror done this work in the past?) (10 points)
- Does the offeror include quality control and assurance programs? (Does the offeror have, or can they keep valid workers?) (8 points)

4.2.2 Cost Factors (Price) – 35 Points (35%)

- Points awarded for price will be calculated utilizing the formula documented in **Attachment M**.

4.2.3 Management Factors – 32 Points (32%)

- History and experience in performing the work: (10 points)
- Does the offeror document a record of reliability? (4 points)
- Does the offeror demonstrate a track record of service as evidenced by on-time, on budget, and contract compliance performance? (5 points)
- Does the offeror document industry or program experience? Has the offeror dealt with state contracts in the past? (5 points)
- Availability of personnel, facilities, equipment and other resources: (8 points)

4.3 Step Three: Negotiation

MDCPS will contact the Offerors with the submission which best meets the agency's needs (based on factors evaluated in Step Two) and may attempt to negotiate an agreement that is deemed acceptable to both parties.

4.3.1 Negotiating with Next-Ranked Vendor

Should negotiations discussed in Section 4.3 fail to result in a contract that is acceptable to both parties or the State ceases doing business with any Contractor selected through this RFQ process, for any reason, the State reserves the right to initiate negotiations with the next ranked vendor.

4.4 Award

Following evaluation, the Agency will issue a Notice of Intent to Award to the responsible Offeror(s) whose submission is determined in writing, to be the most advantageous to the State taking into consideration price and the evaluation factors set forth in the RFQ. No other factors or criteria shall be used in the evaluation.

4.4.1 Notice of Intent to Award

The Notice of Intent to Award for this procurement will be made available to the public through posting on the Mississippi Contract/Procurement Opportunity Search Portal website and the agency website. All participating Offerors will be notified in writing of MDCPS' intent to award a contract and identify the selected Offeror.

4.4.2 Notice of Contract Award

Following issuance of the Notice of Intent to Award, successful negotiation of the contract, and approval of the contract by the Public Procurement Review Board and any other required entities, MDCPS make a Notice of Contract Award available to the public.

SECTION 5: Debriefing

5.1 Post-Award Vendor Debriefing

A respondent, successful or unsuccessful, may request a post-award debriefing, in writing, by U.S. mail or electronic submission. The written request must be received by the Chief Procurement Officer, LaShunda Williams of the MDCPS within three (3) business days of notification of the contract award. A post-award debriefing is a meeting and not a hearing; therefore, legal representation is not required. A debriefing typically occurs within three (3) business days of receipt of the request. If a respondent prefers to have legal representation present, the respondent must notify the Chief Procurement Officer, LaShunda Williams in writing and identify its attorney by name, address, and telephone number. The MDCPS will schedule and/or suspend and reschedule the meeting at a time when a Representative of the Office of the Mississippi Attorney General can be present.

At a minimum, the debriefing information shall include the following:

1. The agency's evaluation of significant weaknesses or deficiencies in the vendor's bid, proposal, or qualifications, if applicable;
2. The overall evaluated cost or price, and technical rating, if applicable, of the successful vendor(s) and the debriefed vendor;
3. The overall ranking of all vendors, when any ranking was developed by the agency during the selection process;
4. A summary of the rationale for award; and,

5. Reasonable responses to relevant questions about selection procedures contained in the solicitation, applicable regulations, and other applicable authorities that were followed.

For additional information regarding Post-Award Debriefing, as well as the information that may be provided and excluded, please see Section 7-113, Post-Award Vendor Debriefing, of the *Public Procurement Review Board Office of Personal Service Contract Review Rules and Regulations* as updated and replaced by PPRB.

16. Termination for Default.

- 1) *Default.* If Independent Contractor refuses or fails to perform any of the provisions of this contract with such diligence as will ensure its completion within the time specified in this contract or any extension thereof, or otherwise fails to timely satisfy the contract provisions, or commits any other substantial breach of this contract, the Commissioner or designee may notify Independent Contractor in writing of the delay or nonperformance and if not cured in ten (10) days or any longer time specified in writing by the Commissioner or designee, such officer may terminate Independent Contractor's right to proceed with the contract or such part of the contract as to which there has been delay or a failure to properly perform. In the event of termination in whole or in part, the Commissioner or designee may procure similar supplies or services in a manner and upon terms deemed appropriate by the Commissioner or designee. Independent Contractor shall continue performance of the contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services.

- 3) *Compensation.* Payment for completed services delivered and accepted by the State shall be at the contract price. The State may withhold from amounts due Independent Contractor such sums as the Commissioner or designee deems to be necessary to protect the State against loss because of outstanding liens or claims of former lien holders and to reimburse the State for the excess costs incurred in procuring similar goods and services.
- 4) *Excuse for Nonperformance or Delayed Performance.* Except with respect to defaults of subcontractors, Independent Contractor shall not be in default by reason of any failure in performance of this contract in accordance with its terms (including any failure by Independent Contractor to make progress in the prosecution of the work hereunder which endangers such performance) if Contractor has notified the Commissioner or designee within 15 days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of the public enemy; acts of the State and any other governmental entity in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, Independent Contractor shall not be deemed to be in default, unless the services to be furnished by the subcontractor were reasonably obtainable

from other sources in sufficient time to permit Independent Contractor to meet the contract requirements. Upon request of Independent Contractor, the Commissioner or designee shall ascertain the facts and extent of such failure, and, if such officer determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, Independent Contractor's progress and performance would have met the terms of the contract, the delivery schedule shall be revised accordingly, subject to the rights of the State under the clause entitled in fixed-priced contracts, "Termination for Convenience". (As used in this Paragraph of this clause, the term "subcontractor" means subcontractor at any tier).

5) *Erroneous Termination for Default.* If, after notice of termination of Independent Contractor's right to proceed under the provisions of this clause, it is determined for any reason that the contract was not in default under the provisions of this clause, or that the delay was excusable under the provisions of Paragraph (4) (Excuse for Nonperformance or Delayed Performance) of this clause, the rights and obligations of the parties shall, if the contract contains a clause providing for termination for convenience of the State, be the same as if the notice of termination had been issued pursuant to such clause.

6) *Additional Rights and Remedies.* The rights and remedies provided in this clause are in addition to any other rights and remedies provided by law or under this contract.

17. Termination Upon Bankruptcy. This contract may be terminated in whole or in part by MDCPS upon written notice to Independent Contractor, if Independent Contractor should become the subject of bankruptcy or receivership proceedings, whether voluntary or involuntary, or upon the execution by Independent Contractor of an assignment for the benefit of its creditors. In the event of such termination, Independent Contractor shall be entitled to recover just and equitable compensation for satisfactory work performed under this contract, but in no case shall said compensation exceed the total contract price.

18. Modification or Renegotiation. This agreement may be modified only by written agreement signed by the parties hereto. The parties agree to renegotiate the agreement if federal and/or state revisions of any applicable laws or regulations make changes in this agreement necessary. Modifications shall not be initiated by the Independent Contractor within the last 90 days of the contract period, without prior approval from the Commissioner's Office.

19. Price Adjustment. Any price adjustment of this contract shall be done in accordance with Section 1.19.4 of the Request For Qualifications (RFQ).

20. Anti-assignment/Subcontracting. Contractor acknowledges that it was selected by the State to perform the services required hereunder based, in part, upon Contractor's special skills and expertise. Contractor shall not assign, subcontract, or otherwise transfer this agreement, in whole or in part, without the prior written consent of the State, which the State may, in its sole discretion, approve or deny without reason. Any attempted assignment or transfer of its obligations without such consent shall be null and void. No such approval by the State of any subcontract shall be deemed in any way to provide for the incurrence of any obligation of the State in addition to the total fixed price agreed upon in this agreement. Subcontracts shall be subject to the terms and conditions of this agreement and to any conditions of approval that the State may deem necessary. Subject to the foregoing, this agreement shall be binding upon the respective successors and assigns of the parties.

21. Non-Solicitation of Employees. Each party to this agreement agrees not to employ or to solicit for employment, directly or indirectly, any persons in the full-time or part-time employment of the other party until at least six (6) months after this agreement terminates unless mutually agreed to in writing by the State or Contractor.
22. Waiver. No delay or omission by either party to this agreement in exercising any right, power, or remedy hereunder or otherwise afforded by contract, at law, or in equity shall constitute an acquiescence therein, impair any other right, power or remedy hereunder or otherwise afforded by any means, or operate as a waiver of such right, power, or remedy. No waiver by either party to this agreement shall be valid unless set forth in writing by the party making said waiver. No waiver of or modification to any term or condition of this agreement will void, waive, or change any other term or condition. No waiver by one party to this agreement of a default by the other party will imply, be construed as or require waiver of future or other defaults.
23. E-Payment. Independent Contractor agrees to accept all payments in United States currency via the State of Mississippi's electronic payment and remittance vehicle. The agency agrees to make payment in accordance with Mississippi law on "Timely Payments for Purchases by Public Bodies," which generally provides for payment of undisputed amounts by the agency within forty-five (45) days of receipt of invoice. Mississippi Code Annotated § 31-7-301 et seq.
24. E-Verification. If applicable, Independent Contractor represents and warrants that it will ensure its compliance with the Mississippi Employment Protection Act of 2008, and will register and participate in the status verification system for all newly hired employees. Mississippi Code Annotated §§ 71-11-1 et seq. The term "employee" as used herein means any person that is hired to perform work within the State of Mississippi. As used herein, "status verification system" means the Illegal Immigration Reform and Immigration Responsibility Act of 1996 that is operated by the United States Department of Homeland Security, also known as the E-Verify Program, or any other successor electronic verification system replacing the E-Verify Program. Independent Contractor agrees to maintain records of such compliance. Upon request of the State and after approval of the Social Security Administration or Department of Homeland Security when required, Independent Contractor agrees to provide a copy of each such verification. Independent Contractor further represents and warrants that any person assigned to perform services hereafter meets the employment eligibility requirements of all immigration laws. The breach of this agreement may subject Independent Contractor to the following:
- 1) termination of this contract for services and ineligibility for any state or public contract in Mississippi for up to three (3) years with notice of such cancellation/termination being made public;
 - 2) the loss of any license, permit, certification or other document granted to Independent Contractor by an agency, department or governmental entity for the right to do business in Mississippi for up to one (1) year; or,
 - 3) both.

In the event of such cancellation/termination, Independent Contractor would also be liable for any additional costs incurred by the State due to Contract cancellation or loss of license or permit to do business in the State.

25. Paymode. Payments by state agencies using the State's accounting system shall be made and

remittance information provided electronically as directed by the State. These payments shall be deposited into the bank account of Independent Contractor's choice. The State may, at its sole discretion, require Independent Contractor to electronically submit invoices and supporting documentation at any time during the term of this Agreement. Independent Contractor understands and agrees that the State is exempt from the payment of taxes. All payments shall be in United States currency.

26. Notices. Any notice required or permitted to be given under this Agreement shall be in writing and personally delivered or sent by electronic means provided that the original of such notice is sent by certified United States mail, postage prepaid, return receipt requested, or overnight courier with signed receipt, to the party to whom the notice should be given at their business listed herein. Notice shall be deemed given when actually received or when refused. MDCPS and Independent Contractor agree to promptly notify each other in writing of any change of address.

Any quantities that are included in the scope of work reflect the current expectations of MDCPS for the period of the contract. The amount is only an estimate and Independent Contractor understands and agrees that MDCPS is under no obligation to Independent Contractor to buy any amount of the services as a result of having provided this estimate or of having any typical or measurable requirement in the past. Independent Contractor further understands and agrees that MDCPS may require services in an amount less than or in excess of the estimated annual contract amount and that the quantity actually used, whether in excess of the estimate or less than the estimate, shall not give rise to any claim for compensation other than the total of the unit prices in the contract for the quantity actually used.

ATTACHMENT M: Formula for Evaluating Price

Price points will be awarded using the following formula:

$$(X / Y) \times \text{Total Price Points} = Z$$

X = Lowest Price

Y = Offeror's Price

Z = Points Assigned to Offeror

An example of the application of this formula is as follows:

- 1. Company A = \$150,000 Company A = 35 Points**

Company A submitted the lowest price and received the total points available for price (35).

- 2. Company B = \$160,000 Company B = $150,000 / 160,000 \times 35 = 32.8125$ Points**

- 3. Company C = \$180,000 Company C = $150,000 / 180,000 \times 35 = 29.1655$ Points**

For each responsive and responsible bidder, MDCPS staff will find the average of the various hourly rates for each category of service. Vendors with the lowest average bid price/ hourly rate will represent "X" the lowest price.
