Happy Friday!

I hope everyone has been enjoying their summer. It has flown by.

I have attached the Foster Parent Support Group Schedule for August to this email. As a reminder all the support groups on the schedule count toward ongoing training hours that you need to renew your foster care license. I am looking forward to being in George County on Saturday August 13th for a Foster Parent Forum. I would love for you to join us if you can.

I am regularly scheduling Foster Parent Forums, especially in areas where I haven't been lately. I am specifically trying to schedule them in Hancock, Pearl River, Adams, and in any of our Delta Counties. If you want to talk more about what it takes to get a forum scheduled, please let me know.

If there is anything that I can do to support you, please let me know because that is what I am here for.

Thomas
