

Questions and Answers to Transitional Living Placement Services RFP No. 2017TTLP001

1. Is the \$175 per day for each student?

The selected provider will receive 175 per student per day for a total of 125 days.

Length of Services

Contractual Services will begin May 01, 2017 until April 30, 2018. During this time the selected agency will be eligible to receive payment for up to 125 days in the contract period at the rate of 175.00 per day.

Contract services are reimbursed based on time and length of services per participant. If a participant stays for five days, the subgrantee will be reimbursed for the five day timeframe.

2. We have a Registered Nurse, Licensed Social Worker, Master Degree Licensed Educator and Support staff that will provide programs and services.

I would like to clarify this statementNO MORE THAN 10% OF THE TOTAL AMOUNT REQUESTED MAY BE BUDGETED FOR ADMINISTRATIVE COSTS.

Does this 10% include all key personnel salaries. For example 8 students X \$175 daily X 125 Days is 175,000.

So all funds requested for salaries would be a total of \$17,500?

Administrative Cost is limited to non-key personnel which would **not** include Registered Nurse, Licensed Social Worker and Master Degree Licensed Educator.
