1. Introduction and Overview

1.1. Purpose

Through the issuance of RFP No. 17-006, the Mississippi Department of Child Protection Services (MDCPS) is seeking to acquire Share Point consulting services.

1.2. Background

MDCPS is responsible for protecting vulnerable children from abuse, neglect, and exploitation, as well as with providing services to strengthen, support, and preserve families. MDCPS manages protective programs on behalf of Mississippi's children, youth and their families by providing a wide range of family-centered services with the goal of strengthening the family unit.

The Mississippi Department of Child Protection Services (MDCPS) is seeking the services of a qualified Vendor to assist in the design, configuration, and utilization of its SharePoint Online and Microsoft Office 365 platform. MDCPS has established a basic SharePoint online environment that has been tested but is not yet fully functional for all MDCPS users. MDCPS has two SharePoint online tenants and plans to migrate all information to one tenant. MDCPS is in the process of implementing Active Directory password synchronization to manage the on premise Active Directory users with the new Office 365 tenant. Eventually MDCPS will move to a single sign-on environment.

MDCPS is seeking a Vendor to provide consultation and expertise to instruct the MDCPS Active Directory Administrators in the best practices for completing the following set of tasks. The Vendor must provide knowledge transfer to MDCPS so that with the appropriate guidance MDCPS can complete the identified tasks.

1.3. Contract Award

1.3.1. **Evaluation Criteria.** MDCPS' intent in issuing this RFP is to award a contract to the lowest and best responsive Vendor who meets specifications, considering price and other factors. The Vendor's past performance, cooperation, and ability to provide service and training are general factors that will be weighed in the selection process.

1.3.2. **Multiple or Single Awards.** MDCPS reserves the right to make multiple awards.

1.3.3. **Right to Award in Whole or Part.** MDCPS reserves the right to approve an award by individual items or in total, whichever is considered to be in the best interest of the State of Mississippi.

1.3.4. **Time for Negotiation.** All contractual issues must be successfully negotiated within fifteen (15) working days from the Vendor's initial receipt of the project contract from MDCPS, unless MDCPS consents to extend the period.

1.3.5. **Valid Contract Required to Begin Work.** The successful Vendor should not begin any billable work until a valid contract has been executed. Any work done by the successful Vendor prior to the execution of the contract is done at the Vendor's sole risk. The State is under no obligation to pay for work done prior to the execution of a contract.

1.4. **Contract Term**

1.4.1. **Initial Period.** The term of the contract shall be for four (4) years from date of signing.

1.4.2. **Renewal Period.** The contract shall be renewable for one (1) additional terms as agreed upon by the parties should services still be required.

1.5. **Definitions**

1.5.1. **Interchangeable Designations.** The terms "Vendor" and "Contractor" are referenced throughout this RFP. Generally, references to the "Vendor" are used in conjunction with the proposing organization and procurement process leading up to the final RFP selection and award. The term "Contractor" denotes the role assumed, post-award, by the winning Vendor. Additionally, the terms "State of Mississippi," "State" or "MDCPS" may be used interchangeably throughout this RFP to denote the political entity issuing the RFP.

1.5.2. **Acronyms and Glossary.** A general list of acronyms and/or glossary items used in the RFP is attached as Appendix D.

If the State determines that the Vendor has altered any language in the original RFP, the State may, in its sole discretion, disqualify the Vendor from further consideration. - 4.1.7. **Best and Final Offers.** The State reserves the right to solicit written Best and Final Offers (BAFOs) from Vendors, mainly in situations in which proposal costs exceed available funding or the State believes none of the competing proposals presents lowest and best proposal opportunity. The State may reject all proposals entirely then issue a BAFO for a new proposal, or request a BAFO for a specified section(s) of the proposal.
- 4.1.8. **Prime Contractor.** The selected Vendor will be designated the prime contractor in the proposal, and as such, shall be solely responsible for all products/services offered in the proposal and for the fulfillment of the contract with the State.
- 4.1.9. **Requirements for Projects Involving Sub-Contractors.** The Vendor will be responsible for the behavior of all its employees and subcontractors while on the premises engaged in work for MDCPS. These requirements apply to source code, object code, and documentation.

4.1.13.2. If the Vendor develops software for the State, the Vendor must acknowledge and agree that the State is the sole owner of such developed software with exclusive rights to use, alter, or distribute the software without restriction. This requirement applies to source code, object code, and documentation.

receipt of the request. If a Vendor prefers to have legal representation present, the Vendor must notify MDCPS in writing and identify its attorney by name, address, and telephone number. MDCPS will schedule and/or suspend and reschedule the meeting at a time when a Representative of the Office of the Mississippi Attorney General can be present.

- 10.1.4. The Evaluation Team will use the following categories and percentages:

Category	Percentage	
Proposal Categories:		
Technical Requirements	45%	
Vendor Requirments	15%	
Total (Proposal Categories Percentage)	60%	
Cost	40%	
Total (Cost and Proposal Categories)	100%	

10.2. **Evaluation Four (4) Stages.** The evaluation will be conducted in four stages as follows:

- 10.2.1. **Stage 1 – Selection of Responsive/Valid Proposals** – Each proposal will be reviewed to determine if it is sufficiently responsive to the RFP requirements to permit a complete evaluation. A responsive proposal must comply with the instructions stated in this RFP with regard to content, organization, and format. Failure to submit a complete proposal may result in rejection of the proposal.

- 10.2.2. **Stage 2 – Proposal Evaluation (all requirements excluding cost)**
- 10.2.2.1. Scores will be determined for each item using the proposal categories listed in the table above.
- 10.2.2.2. Proposals meeting fewer than 80% of the requirements for the proposal categories listed above may be eliminated from further consideration.

P= Total lifecycle cost of proposal being scored
C= Percentage assigned to cost from the table above
- 10.2.3.2. Proposals with total lifecycle cost that at least twice the lifecycle cost for the lowest proposal meeting specifications will receive a score of 0 for cost.

PROJECT NUMBER 17-006
PROFESSIONAL SERVICES AGREEMENT
BETWEEN
INSERT VENDOR NAME
AND
MISSISSIPPI DEPARTMENT OF CHILD PROTECTION SERVICES

This Professional Services Agreement (hereinafter referred to as “Agreement”) is entered into by and between **INSERT VENDOR NAME**, a **INSERT STATE OF INCORPORATION** corporation having its principal place of business at **INSERT VENDOR STREET ADDRESS** (hereinafter referred to as “Contractor”), and Mississippi Department of Child Protection Services having its principal place of business at 660 North Street, Jackson, Mississippi 39202 (hereinafter referred to as “Customer” and/or “MDCPS”).

WHEREAS, Customer, pursuant to Request For Proposal Number 17-006 (hereinafter referred to as “RFP”) requested proposals for the acquisition of Share Point consulting services for the Mississippi Department of Child Protection Services (MDCPS), and

WHEREAS, Contractor was the successful proposer in an open, fair and competitive procurement process to provide the services described herein;

NOW THEREFORE, in consideration of the mutual understandings, promises and agreements set forth, the parties hereto agree as follows:

ARTICLE 1 PERIOD OF PERFORMANCE

1.1 Unless this Agreement is extended by mutual agreement or terminated as prescribed elsewhere herein, this Agreement shall begin on the date it is signed by all parties and shall continue until the close of business on **INSERT DATE**. At the end of the initial term, this Agreement may, upon the written agreement of the parties, be renewed for an additional term, the length of which will be agreed upon by the parties. Sixty (60) days prior to the expiration of the initial term or any renewal term of this Agreement, Contractor shall notify Customer of the impending expiration and Customer shall have thirty (30) days in which to notify Contractor of its intention to either renew or cancel the Agreement.

1.2 This Agreement will become a binding obligation on the State only upon the issuance of a valid purchase order by the Customer following contract execution.

ARTICLE 2 SCOPE OF SERVICES

Contractor shall perform all work specified in the Statement of Work attached hereto as “Exhibit A” and incorporated herein by reference. Contractor shall assign **INSERT NAME** to assist Customer with implementing a Comprehensive Child Welfare Information System as specified in the RFP and Contractor’s

proposal, as accepted by Customer, in response thereto, which are both incorporated herein by reference. It is understood by the Contractor that the individual assigned to perform such services shall work under the direction of Customer's Deputy Commissioner of IT, Cindy Greer, or her designee, whose responsibilities include assigning, directing and monitoring the daily work and assessing the quality of the work in accordance with the Warranty Article herein. While Contractor's work is to be performed primarily on-site in the Customer's offices in Jackson, Mississippi, it is understood that with the Customer's written approval, certain work can be performed off-site if it can be demonstrated to the Customer's satisfaction that the off-site work provides a savings to the Customer and that the work done off-site does not interfere with or slow the progress of the project or reduce the quality of the work. Contractor accepts full responsibility for all problems arising out of a decision to perform off-site work. The parties understand and agree that while the usual work hours will be 8:00 A.M. to 5:00 P.M. (Central Time) Monday through Friday, occasionally they may be required to work outside of these hours.

ARTICLE 3 CONSIDERATION AND METHOD OF PAYMENT

3.1 As consideration for the performance of this Agreement, Customer shall pay Contractor rates as specified in Exhibit A. It is understood by the parties that travel, subsistence and any related project expenses are included in this hourly rate. No additional costs will be added to the monthly invoices for such expenses. It is expressly understood and agreed that in no event will the total compensation to be paid hereunder exceed the specified sum of \$**INSERT AMOUNT**. Contractor shall keep daily records of the actual number of hours worked and of the tasks performed and shall immediately supply such records to Customer upon request.

3.2 Contractor shall submit an invoice monthly with the appropriate documentation to Customer for any month in which services are rendered. Upon the expiration of this Agreement, Contractor shall submit the final invoice with appropriate documentation to Customer for payment for the services performed during the final month of this Agreement. Contractor shall submit invoices and supporting documentation to Customer electronically during the term of this Agreement using the processes and procedures identified by the State. Customer agrees to make payment in accordance with Mississippi law on "Timely Payments for Purchases by Public Bodies", Section 31-7-301, et seq. of the 1972 Mississippi Code Annotated, as amended, which generally provides for payment of undisputed amounts by Customer within forty-five (45) days of receipt of the invoice. Contractor understands and agrees that Customer is exempt from the payment of taxes. All payments shall be in United States currency. Payments by state agencies using Mississippi's Accountability System for Government Information and Collaboration (MAGIC) shall be made and remittance information provided electronically as directed by the State. The payments by these agencies shall be deposited into the bank account of the Contractor's choice. No payment, including final payment, shall be construed as acceptance of defective products or incomplete work, and the Contractor shall remain responsible and liable for full performance in strict compliance with the contract documents specified in the article herein titled "Entire Agreement."

3.3 Acceptance by the Contractor of the last payment from the Customer shall operate as a release of all claims against the State by the Contractor and any subcontractors or other persons supplying labor or materials used in the performance of the work under this Agreement.

ARTICLE 4 WARRANTIES

4.1 The Contractor represents and warrants that its services hereunder shall be performed by competent personnel and shall be of professional quality consistent with generally accepted industry standards for the performance of such services and shall comply in all respects with the requirements of this Agreement. For any breach of this warranty, the Customer may, at its option, either terminate this Agreement immediately pursuant to the termination article herein, or require Contractor to provide replacement personnel satisfactory to Customer within thirty (30) calendar days of Contractor's receipt of notification from Customer. Whether or not the departing personnel are to continue working while Contractor attempts to find replacement personnel is at the sole discretion of the Customer. If Contractor is notified within the first eight (8) hours of assignment that the person is unsatisfactory, Contractor will not charge Customer for those hours; otherwise, Customer shall pay for all actual hours worked prior to Customer's notification of replacement request to Contractor.

4.2 If applicable under the given circumstances, Contractor represents and warrants that it will ensure its compliance with the Mississippi Employment Protection Act, Section 71-11-1, et seq. of the Mississippi Code Annotated (Supp2008), and will register and participate in the status verification system for all newly hired employees. The term "employee" as used herein means any person that is hired to perform work within the State of Mississippi. As used herein, "status verification system" means the Illegal Immigration Reform and Immigration Responsibility Act of 1996 that is operated by the United States Department of Homeland Security, also known as the E-Verify Program, or any other successor electronic verification system replacing the E-Verify Program. Contractor agrees to maintain records of such compliance and, upon request of the State and approval of the Social Security Administration or Department of Homeland Security where required, to provide a copy of each such verification to the State. Contractor further represents and warrants that any person assigned to perform services hereunder meets the employment eligibility requirements of all immigration laws of the State of Mississippi. Contractor understands and agrees that any breach of these warranties may subject Contractor to the following: (a) termination of this Agreement and ineligibility for any state or public contract in Mississippi for up to three (3) years, with notice of such cancellation/termination being made public, or (b) the loss of any license, permit, certification or other document granted to Contractor by an agency, department or governmental entity for the right to do business in Mississippi for up to one (1) year, or (c) both. In the event of such termination/cancellation, Contractor would also be liable for any additional costs incurred by the State due to contract cancellation or loss of license or permit.

4.3 Contractor represents and warrants that no official or employee of Customer, and no other public official of the State of Mississippi who exercises any functions or responsibilities in the review or approval of the undertaking or carrying out of the project shall, prior to the completion of said project, voluntarily

acquire any personal interest, direct or indirect, in this Agreement. The Contractor warrants that it has removed any material conflict of interest prior to the signing of this Agreement, and that it shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of its responsibilities under this Agreement. The Contractor also warrants that in the performance of this Agreement no person having any such known interests shall be employed.

4.4 The Contractor represents and warrants that no elected or appointed officer or other employee of the State of Mississippi, nor any member of or delegate to Congress has or shall benefit financially or materially from this Agreement. No individual employed by the State of Mississippi shall be admitted to any share or part of the Agreement or to any benefit that may arise therefrom. The State of Mississippi may, by written notice to the Contractor, terminate the right of the Contractor to proceed under this Agreement if it is found, after notice and hearing by the MDCPS Commissioner or his/her designee, that gratuities in the form of entertainment, gifts, jobs, or otherwise were offered or given by the Contractor to any officer or employee of the State of Mississippi with a view toward securing this Agreement or securing favorable treatment with respect to the award, or amending or making of any determinations with respect to the performing of such contract, provided that the existence of the facts upon which the MDCPS Commissioner makes such findings shall be in issue and may be reviewed in any competent court. In the event this Agreement is terminated under this article, the State of Mississippi shall be entitled to pursue the same remedies against the Contractor as it would pursue in the event of a breach of contract by the Contractor, including punitive damages, in addition to any other damages to which it may be entitled at law or in equity.

ARTICLE 5 EMPLOYMENT STATUS

5.1 Contractor shall, during the entire term of this Agreement, be construed to be an independent contractor. Nothing in this Agreement is intended to nor shall be construed to create an employer-employee relationship, or a joint venture relationship.

5.2 Contractor represents that it is qualified to perform the duties to be performed under this Agreement and that it has, or will secure, if needed, at its own expense, applicable personnel who shall be qualified to perform the duties required under this Agreement. Such personnel shall not be deemed in any way, directly or indirectly, expressly or by implication, to be employees of Customer.

5.3 Any person assigned by Contractor to perform the services hereunder shall be the employee of Contractor, who shall have the sole right to hire and discharge its employee. Customer may, however, direct Contractor to replace any of its employees under this Agreement.

5.4 Contractor shall pay when due, all salaries and wages of its employees and it accepts exclusive responsibility for the payment of federal income tax, state income tax, social security, unemployment compensation and any other withholdings that may be required. Neither Contractor nor employees of Contractor are entitled to state retirement or leave benefits.

5.5 It is further understood that the consideration expressed herein constitutes full and complete compensation for all services and performances hereunder, and that any sum due and payable to Contractor shall be paid as a gross sum with no withholdings or deductions being made by Customer for any purpose from said contract sum, except as permitted herein in the article titled "Termination".

ARTICLE 6 BEHAVIOR OF EMPLOYEES/SUBCONTRACTORS

Contractor will be responsible for the behavior of all its employees and subcontractors while on the premises of any Customer location. Any employee or subcontractor acting in a manner determined by the administration of that location to be detrimental, abusive or offensive to any of the staff will be asked to leave the premises and may be suspended from further work on the premises. All Contractor employees and subcontractors who will be working at such locations shall be covered by Contractor's comprehensive general liability insurance policy.

ARTICLE 7 MODIFICATION OR RENEGOTIATION

This Agreement may be modified only by written agreement signed by the parties hereto, and any attempt at oral modification shall be void and of no effect. The parties agree to renegotiate the Agreement if federal and/or state revisions of any applicable laws or regulations make changes in this Agreement necessary.

ARTICLE 8 AUTHORITY, ASSIGNMENT AND SUBCONTRACTS

8.1 In matters of proposals, negotiations, contracts, and resolution of issues and/or disputes, the parties agree that Contractor represents all contractors, third parties, and/or subcontractors Contractor has assembled for this project. The Customer is required to negotiate only with Contractor, as Contractor's commitments are binding on all proposed contractors, third parties, and subcontractors.

8.2 Neither party may assign or otherwise transfer this Agreement or its obligations hereunder without the prior written consent of the other party, which consent shall not be unreasonably withheld. Any attempted assignment or transfer of its obligations without such consent shall be null and void. This Agreement shall be binding upon the parties' respective successors and assigns.

8.3 Contractor must obtain the written approval of Customer before subcontracting any portion of this Agreement. No such approval by Customer of any subcontract shall be deemed in any way to provide for the incurrence of any obligation of Customer in addition to the total fixed price agreed upon in this Agreement. All subcontracts shall incorporate the terms of this Agreement and shall be subject to the terms and conditions of this Agreement and to any conditions of approval that Customer may deem necessary.

8.4 Contractor represents and warrants that any subcontract agreement Contractor enters into shall contain a provision advising the subcontractor that the subcontractor shall have no lien and no legal right to assert control over any funds held by the Customer, and that the subcontractor acknowledges that no privity of contract exists between the Customer and the subcontractor and that the Contractor is solely

liable for any and all payments which may be due to the subcontractor pursuant to its subcontract agreement with the Contractor. The Contractor shall indemnify and hold harmless the State from and against any and all claims, demands, liabilities, suits, actions, damages, losses, costs and expenses of every kind and nature whatsoever arising as a result of Contractor's failure to pay any and all amounts due by Contractor to any subcontractor, materialman, laborer or the like.

8.5 All subcontractors shall be bound by any negotiation, arbitration, appeal, adjudication or settlement of any dispute between the Contractor and the Customer, where such dispute affects the subcontract.

ARTICLE 9 AVAILABILITY OF FUNDS

It is expressly understood and agreed that the obligation of Customer to proceed under this Agreement is conditioned upon the appropriation of funds by the Mississippi State Legislature and the receipt of state and/or federal funds for the performances required under this Agreement. If the funds anticipated for the fulfillment of this Agreement are not forthcoming, or are insufficient, either through the failure of the federal government to provide funds or of the State of Mississippi to appropriate funds, or if there is a discontinuance or material alteration of the program under which funds were available to Customer for the payments or performance due under this Agreement, Customer shall have the right to immediately terminate this Agreement, without damage, penalty, cost or expense to Customer of any kind whatsoever. The effective date of termination shall be as specified in the notice of termination. Customer shall have the sole right to determine whether funds are available for the payments or performances due under this Agreement.

ARTICLE 10 TERMINATION

10.1 Notwithstanding any other provision of this Agreement to the contrary, this Agreement may be terminated, in whole or in part, as follows: (a) upon the mutual, written agreement of the parties; (b) If either party fails to comply with the terms of this Agreement, the non-defaulting party may terminate the Agreement upon the giving of thirty (30) days written notice unless the breach is cured within said thirty (30) day period; (c) Customer may terminate the Agreement in whole or in part without the assessment of any penalties upon thirty (30) days written notice to Contractor if Contractor becomes the subject of bankruptcy, reorganization, liquidation or receivership proceedings, whether voluntary or involuntary, or (d) Customer may terminate the Agreement for any reason without the assessment of any penalties after giving thirty (30) days written notice specifying the effective date thereof to Contractor. The provisions of this Article do not limit either party's right to pursue any other remedy available at law or in equity.

10.2 In the event Customer terminates this Agreement, Contractor shall be paid for satisfactory work completed by Contractor and accepted by Customer prior to the termination. Such compensation shall be based upon the amounts set forth in the Article herein on "Consideration and Method of Payment", but in no case shall said compensation exceed the total fixed price of this Agreement.

10.3 Notwithstanding the above, Contractor shall not be relieved of liability to Customer for damages sustained by Customer by virtue of any breach of this Agreement by Contractor, and Customer may withhold any payments to Contractor for the purpose of set off until such time as the exact amount of damages due Customer from Contractor are determined.

ARTICLE 11 GOVERNING LAW

This Agreement shall be construed and governed in accordance with the laws of the State of Mississippi and venue for the resolution of any dispute shall be Jackson, Hinds County, Mississippi. Contractor expressly agrees that under no circumstances shall Customer be obligated to pay an attorney's fee, prejudgment interest or the cost of legal action to Contractor. Further, nothing in this Agreement shall affect any statutory rights Customer may have that cannot be waived or limited by contract.

ARTICLE 12 WAIVER

Failure of either party hereto to insist upon strict compliance with any of the terms, covenants and conditions hereof shall not be deemed a waiver or relinquishment of any similar right or power hereunder at any subsequent time or of any other provision hereof, nor shall it be construed to be a modification of the terms of this Agreement. A waiver by the State, to be effective, must be in writing, must set out the specifics of what is being waived, and must be signed by an authorized representative of the State.

ARTICLE 13 SEVERABILITY

If any term or provision of this Agreement is prohibited by the laws of the State of Mississippi or declared invalid or void by a court of competent jurisdiction, the remainder of this Agreement shall be valid and enforceable to the fullest extent permitted by law provided that the State's purpose for entering into this Agreement can be fully achieved by the remaining portions of the Agreement that have not been severed.

ARTICLE 16 THIRD PARTY ACTION NOTIFICATION

Contractor shall notify Customer in writing within five (5) business days of Contractor filing bankruptcy, reorganization, liquidation or receivership proceedings or within five (5) business days of its receipt of notification of any action or suit being filed or any claim being made against Contractor or Customer by

any entity that may result in litigation related in any way to this Agreement and/or which may affect the Contractor's performance under this Agreement. Failure of the Contractor to provide such written notice to Customer shall be considered a material breach of this Agreement and the Customer may, at its sole discretion, pursue its rights as set forth in the Termination Article herein and any other rights and remedies it may have at law or in equity.

ARTICLE 17 AUTHORITY TO CONTRACT

Contractor warrants that it is a validly organized business with valid authority to enter into this Agreement; that entry into and performance under this Agreement is not restricted or prohibited by any loan, security, financing, contractual or other agreement of any kind, and notwithstanding any other provision of this Agreement to the contrary, that there are no existing legal proceedings, or prospective legal proceedings, either voluntary or otherwise, which may adversely affect its ability to perform its obligations under this Agreement.
