An Applicant, successful or unsuccessful, may request a post-award debriefing, in writing, by U.S. mail or electronic submission, to be received by the agency within three (3) business days of notification of the contract award. A debriefing is a meeting and not a hearing; therefore, legal representation is not required. If an Applicant prefers to have legal representation present, the Applicant must notify the agency and identify its attorney by name, address, and telephone number. MDCPS shall be allowed to schedule and/or suspend and reschedule the meeting at a time when a representative of the Office of the Mississippi Attorney General can be present.

For additional information regarding Post-Award Debriefing, as well as the information that may be provided and excluded, please see Section 7-112 through 7-112.07, Post-Award Debriefing, of the Mississippi Personal Service Contract Review Board's Rules and Regulations.

5.2 Protests

Any actual or prospective applicant who is aggrieved in connection with this solicitation or the outcome of this RFP may file a protest with the Commissioner of MDCPS. The protest shall be submitted within seven (7) calendar days following award date, in writing after such aggrieved person or entity knows or should have known of the facts giving rise thereto. All protests must be in writing, dated, signed by the proposer or an individual authorized to sign contracts on behalf of the protesting proposer, and contain a statement of the reason(s) for protest, citing the law(s),

rule(s) and regulation(s) or procedure(s) on which the protest is based. The written protest letter shall contain an explanation of the specific basis for the protest. The protesting proposer must provide facts and evidence to support the protest. A protest is considered filed when received by the Commissioner of MDCPS via either U.S. mail, postage prepaid, or by personal delivery. Protests filed after seven (7) calendar days following award date will not be considered.

5.3 Statement of Qualifications/Application Exceptions

Please return the Statement of Qualifications/Application Exception Summary Form (Attachment D) with all exceptions to items in any Section of this RFQ listed and clearly explained or state “No Exceptions Taken.” If no Statement of Qualifications/Application Exception Summary Form is included, the Applicant is indicating that he takes no exceptions to any item in this RFQ document.

5.3.1 Unless specifically disallowed on any specification herein, the Applicant may take exception to any point within this RFQ, including a specification denoted with ”must” or “shall,” as long as the following are true:

5.3.1.1 The specification is not a matter of State law;

5.3.1.2 The Application still meets the intent of the RFQ

5.3.1.3 A Statement of Qualifications/Application Exception Summary Form is included with the Application; and

5.3.1.4 The exception is clearly explained, along with any alternative or substitution the Applicant proposes to address the intent of the specification, on the Statement of Qualifications/Application Exception Summary Form.

5.3.1.5 The Applicant has no liability to provide items to which an exception has been taken. MDCPS has no obligation to accept any exception. During the Application evaluation and/or contract negotiation process, the Applicant and MDCPS will discuss each exception and take one of the following actions:

5.3.1.6 The Applicant will withdraw the exception and meet the specification in the manner prescribed;

5.3.1.7 MDCPS will determine that the exception neither poses significant risk to the project nor undermines the intent of the RFQ and will accept the exception;

5.3.1.8 MDCPS and the Applicant will agree on compromise language dealing with the exception and will insert same into the contract; or

5.3.1.9 None of the above actions is possible, and MDCPS either disqualifies the Application or withdraws the award and proceeds to the next ranked Applicant.

5.3.2 Shall MDCPS and the Applicant reach a successful agreement, MDCPS will sign adjacent to each exception which is being accepted or submit a formal written response to the Application Exception Summary responding to each of the Applicant’s exceptions. The Statement of Qualifications/Application

Exception Summary Form, with those exceptions approved by MDCPS, will become a part of any contract on acquisitions made under this RFQ.

5.3.3 An exception will be accepted or rejected at the sole discretion of MDCPS.

5.3.4 MDCPS desires to award this RFQ to an Applicant with whom there is a high probability of establishing a mutually agreeable contract, substantially within the standard terms and conditions of the State's RFQ, including the Standard Contract in Attachment J. As such, Applications, in the sole opinion of MDCPS, reflect a substantial number of material exceptions to this RFQ, may place themselves at a comparative disadvantage in the evaluation process or risk disqualification of their Applications.

5.3.5 For Applicants who have successfully negotiated a contract with MDCPS in the past, MDCPS requests that, prior to taking any exceptions to this RFQ, the individual(s) preparing this Application first confer with other individuals who have previously submitted Applications to MDCPS or participated in contract negotiations with MDCPS on behalf of their company, to ensure the Applicant is consistent in the items to which it takes exception

5.3 Required Contract Terms and Conditions

Any contract entered into between MDCPS and a vendor/applicant shall include the required clauses found in Attachment J and those required by the *Personal Service Contract Review Board's Rules and Regulations* as updated.

An appropriate adjustment shall be made in the delivery schedule or Independent Contractor price, or both, and the contract shall be modified in writing accordingly, if:

- c. *Termination of Stopped Work*: If a stop work order is not canceled and the work covered by such order is terminated for default or convenience, the reasonable costs resulting from the stop work order shall be allowed by adjustment or otherwise.

16. Termination for Convenience.

- a. *Termination.* The Commissioner or designee may, when the interests of the State so require, terminate this contract in whole or in part, for the convenience of the State. The Commissioner or designee shall give written notice of the termination to Contractor specifying the part of the contract terminated and when termination becomes effective.

Independent Contractor shall also terminate outstanding orders and subcontracts as they relate to the terminated work. Independent Contractor shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated work. Independent Contractor must still complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.

17. Termination for Default.

- a. *Default.* If Independent Contractor refuses or fails to perform any of the provisions of this contract with such diligence as will ensure its completion within the time specified in this contract or any extension thereof, or otherwise fails to timely satisfy the contract provisions, or commits any other substantial breach of this contract, the Commissioner or designee may notify Independent Contractor in writing of the delay or nonperformance and if not cured in ten (10) days or any longer time specified in writing by the Commissioner or designee, such officer may terminate Independent Contractor's right to proceed with the contract or such part of the contract as to which there has been delay or a failure to properly perform. In the event of termination in whole or in part, the Commissioner or designee may procure similar supplies or services in a manner and upon terms deemed appropriate by the Commissioner or designee. Independent Contractor shall continue performance of the contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services.

If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, Independent Contractor shall not be deemed to be in default, unless the services to be furnished by the subcontractor were reasonably obtainable from other sources in sufficient time to permit Independent Contractor to meet the contract requirements. Upon request of Independent Contractor, the Commissioner or designee shall ascertain the facts and extent of such failure, and, if such officer determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, Independent Contractor's progress and performance would have met the terms of the contract, the delivery schedule shall be revised accordingly, subject to the rights of the State under the clause entitled in fixed-priced contracts, "Termination for Convenience". (As used in this Paragraph of this clause, the term "subcontractor" means subcontractor at any tier).
- e. *Erroneous Termination for Default.* If, after notice of termination of Independent Contractor's right to proceed under the provisions of this clause, it is determined for any reason that the contract was not in default under the provisions of this clause, or that the delay was excusable under the provisions of Paragraph (4) (Excuse for Nonperformance or Delayed Performance) of this clause, the rights and obligations of the parties shall, if the contract contains a clause providing for termination for convenience of the State, be the same as if the notice of termination had been issued pursuant to such clause.
- f. *Additional Rights and Remedies.* The rights and remedies provided in this clause are in addition to any other rights and remedies provided by law or under this contract.
18. Termination Upon Bankruptcy. This contract may be terminated in whole or in part by Agency upon written notice to Independent Contractor, if Independent Contractor should become the subject of bankruptcy or receivership proceedings, whether voluntary or involuntary, or upon the execution by Independent Contractor of an assignment for the benefit of its creditors. In the event of such termination, Independent Contractor shall be entitled to recover just and equitable compensation for satisfactory work performed under this contract, but in no case shall said compensation exceed the total contract price.
19. E-Payment. Independent Contractor agrees to accept all payments in United States currency via the State of Mississippi's electronic payment and remittance vehicle. MDCPS agrees to make payment in accordance with Mississippi law on "Timely Payments for Purchases by

 - (2) the loss of any license, permit, certification or other document granted to Contractor by an agency, department or governmental entity for the right to do business in Mississippi for up to one (1) year; or,
 - (3) both. In the event of such cancellations/termination, Independent Contractor would also be liable for any additional costs incurred by the State due to Contract cancellation or loss of license or permit to do business in the State.
21. Transparency. This contract, including any accompanying exhibits, attachments, and appendices, is subject to the “Mississippi Public Records Act of 1983,” and its exceptions. - 24. Trade Secrets, Commercial and Financial. It is expressly understood that Mississippi law requires that the provisions of this contract which contain the commodities purchased or the personal or professional services provided, the price to be paid, and the term of the contract shall not be deemed to be a trade secret or confidential commercial or financial information and shall be available for examination, copying, or reproduction.

- 25. Requirements Contract. During the period of the contract, Independent Contractor shall provide all the service described in the contract. Independent Contractor understands and agrees that this is a requirements contract and that MDCPS shall have no obligation to Independent Contractor if no services are required. Any quantities that are included in the scope of work reflect the current expectations of MDCPS for the period of the contract. The amount is only an estimate and Independent Contractor understands and agrees that MDCPS is under no obligation to Independent Contractor to buy any amount of the services as a result of having provided this estimate or of having any typical or measurable requirement in the past. Independent Contractor further understands and agrees that MDCPS may require services in an amount less than or in excess of the estimated annual contract amount and that the quantity actually used, whether in excess of the estimate or less than the estimate, shall not give rise to any claim for compensation other than the total of the unit prices in the contract for the quantity actually used.
