Subject: LEP Policy Updates

Date: 8/16/2018

The Policy Bureau has reformatted and updated the Limited English Proficiency (LEP) Policies & Procedures. The policy has been restructured, but the information contained has not been substantially altered. Nevertheless, all MDCPS employees must read and familiarize themselves with the new manual and should discontinue use of any old LEP policies.

If you have questions or would like to make a recommendation, please e-mail policy@mdcps.ms.gov.
