It is understood that any contract(s) resulting from RFQ No.2021QRTPA requires approval by MDCPS Commissioner/designee. Any contract resulting from RFQ No. 2021QRTPA001 shall become effective when fully executed by all parties.

*For purposes of this RFQ, the terms therapeutic group home and qualified residential treatment program are synonymous. Both terms refer to a congregate care setting for foster youth licensed by MDCPS and certified by the Mississippi Department of Mental Health to provide therapeutic services to foster youth in a residential setting

2.4 Scope of Services

Each youth placed by MDCPS in a therapeutic group home/qualified residential treatment program must be assessed by a qualified individual “using an age-appropriate, evidence-based, validated, functional assessment tool approved by the Secretary” of the United States Department of Health and Human Services. 42 U.S.C.A § 675a(c). This assessment must occur within 30 days of the youth being placed in the therapeutic group home and must be used (1) to assess the youth’s strengths and needs; (2) to determine whether the youth’s needs can be met in a family-based placement and, if not, the level of care required for the youth; and (3) to develop a list of specific, short- and long-term mental and behavioral health goals for the youth. This RFQ seeks qualified individuals to conduct these assessments under contract with MDCPS.

The respondents awarded contracts under this RFQ will be required to perform the following services:

- Accept referrals from MDCPS for youth assessments and complete all requirements for the assessment under the contract within thirty (30) days.
- Assess the youth's strengths and needs using the Child and Adolescent Functional Assessment Scale (CAFAS). **
- Develop a list of specific short- and long-term mental and behavioral health goals for the youth.
- Determine whether the needs of the youth can be met living with family members or in a foster family home.
- If the youth's needs cannot be met while living with family or in a foster home:
 - Determine the most effective and appropriate level of care for the youth in the least restrictive environment as consistent with the youth's short- and long-term treatment goals, including whether the placement in a therapeutic group home/qualified residential treatment facility is appropriate.
- Work in conjunction with the youth's family, the MDCPS caseworker, and other members of the youth and family's team identified by MDCPS to conduct the assessment and develop the youth's treatment goals.
- Produce a written report including the following:
 - a detailed explanation of the results of the youth's strengths and needs assessment;
 - a detailed explanation of the youth's short- and long-term treatment goals;
 - the reasons why the needs of the youth's needs cannot be met by the family or in a foster home;
 - a detailed explanation of why placement in a therapeutic group home/qualified residential treatment facility will provide the most effective and appropriate level of care in the least restrictive environment; and
 - a detailed explanation of how the placement is consistent with the youth's short- and long-term treatment goals.

In addition to the assessments conducted when a youth initially is placed in a therapeutic group home/qualified residential treatment program, the respondents awarded contracts under this RFQ also will be required to accept referrals for ongoing assessment of the suitability of the youth's placement. These assessments will be conducted once every six months as long as the youth remains in the therapeutic group home/qualified residential treatment program. The respondents awarded contracts will be required to:

- Accept referrals from MDCPS for ongoing youth assessments and complete all requirements for the assessment under the contract within thirty (30) days.
- Assess the youth's strengths and needs using the Child and Adolescent Functional Assessment Scale (CAFAS).
- Determine whether the ongoing assessment continues to support the determination that:
 - the youth's needs cannot be met through placement in a foster family home;
 - that the placement in a therapeutic group home/qualified residential treatment program provides the most effective and appropriate level of care for the youth in the least restrictive environment; and
 - that the placement is consistent with the youth's short- and long-term treatment goals.
- Produce a written report including the following:
 - a detailed explanation of the results of the youth's strengths and needs assessment;
 - a detailed explanation of the youth's progress towards meeting their short- and long-term treatment goals;
 - the reasons why the needs of the youth's needs cannot be met by the family or in a foster home;
 - a detailed explanation of why placement in a therapeutic group home/qualified residential treatment facility will provide the most effective and appropriate level of care in the least restrictive environment; and
 - a detailed explanation of how the placement is consistent with the youth's short- and long-term treatment goals.

**MDCPS will consider responses from individuals qualified to use other acceptable assessments under the federal standard, but it will be the responsibility of the respondent to demonstrate in their response to this RFQ that the proposed assessment is an acceptable alternative to the CAFAS.

2.5 Term/ Renewal of Contracts

The term of the contract shall be for a period of one (1) year. The contract may be renewed at the discretion of MDCPS upon written notice to the Independent Contractor prior to the contract anniversary date for a period of one (1) successive year under the same prices, terms, and conditions as in the original contract. - one (1) original, signed hard copy of the qualification package in a binder and one (1) electronic copy of the qualification package on a USB flash drive in a sealed envelope or package
- Completed and signed Acknowledgement of Amendment Form, if applicable (Attachment C);
- Statement the Offeror certifies that it is registered to do business in the State of Mississippi as prescribed by the Mississippi Secretary of State or, if not already registered, that it will do so within three (3) business days of written notification of award. Sole proprietors are not required to register with Mississippi Secretary of State

Each statement of qualification that is determined incomplete or insufficient may be declared non-responsive and may be rejected with no further evaluation. The Office of Contracts and Procurement may request clarifications from the Offeror(s) in order to determine if they may advance to Phase II. Offerors that are determined to have complied will continue to Phase II, while Offerors that are determined to be non-responsive will be notified in writing of such determination.

Offerors who do not move to Phase II will be promptly notified in writing (which may include electronic mail).

Phase II (Evaluation): During this phase of the review process, all remaining Statement of Qualification will be reviewed to determine responsibility; i.e., whether the minimum Offeror requirements of this RFQ have been met. Offerors that are determined by the review committee to have shown the minimum qualifications will be found to be responsible. These Offerors will

continue to the next phase, while Offerors that are not determined to be responsible will be notified in writing of such determination.

Offerors who do not move to Phase 3 will be promptly notified in writing

Phase III (Selection): After the Evaluation Committee has completed the evaluation of the qualifications, a summary report including all evaluations will be submitted to the MDCPS Commissioner and appropriate Deputy Commissioner. The MDCPS Commissioner will make the final decision regarding the winning applications. The winning application(s) must have a minimum average score of 75 points.

4.7 Notification

All participating Offerors will be notified of MDCPS' intent to award a contract. In addition, MDCPS will identify the selected vendor(s). Notice of award is also made available to the public upon request.

Section 5

5.1 Post-Award Debriefing Request

A vendor, successful or unsuccessful, may request a post-award vendor debriefing, in writing, by U.S. mail or electronic submission, to be received by the agency within three (3) business days of the Notice of Intent to Award. A vendor debriefing is a meeting and not a hearing; therefore, legal representation is not required. If a vendor prefers to have legal representation present, the vendor must notify the agency and identify its attorney. The agency shall be allowed to schedule and/or suspend and reschedule the meeting at a time when a representative of the Office of the Mississippi Attorney General can be present.

5.1.1 Information to be Provided

At a minimum, the debriefing information shall include the following:

- (1) The agency's evaluation of significant weaknesses or deficiencies in the vendor's bid, proposal, or qualifications, if applicable;
- (2) The overall evaluated cost or price, and technical rating, if applicable, of the successful vendor(s) and the debriefed vendor;
- (3) The overall ranking of all vendors, when any ranking was developed by the agency during the selection process;
- (4) A summary of the rationale for award; and,
- (5) Reasonable responses to relevant questions about selection procedures contained in the solicitation, applicable regulations, and other applicable authorities that were followed

5.1.2 Information Not to be Provided

The debriefing shall not include point-by-point comparisons of the debriefed vendor's bid, proposal, or qualification with those of other offering vendors. Any written request by a vendor for nondisclosure of trade secrets and other proprietary data is subject to the provisions of Mississippi Code Annotated §§ 25-61-9 and 79- 23-1 and §§ 75-26-1 through 75-26-19.

5.2 Protest of Solicitations of Awards

Protestors should seek resolution of their complaints initially with the office that issued the solicitation. Any actual or prospective bidder or offeror who is aggrieved in connection with the solicitation or award of a contract may protest to the Chief Procurement Officer and copy the Mississippi Department of Finance and Administration Director of the Office of Personal and Professional Service Contract Review. The protest shall be submitted in writing within seven (7) calendar days of the Notice of Intent to Award or within seven (7) calendar days of the solicitation posting if the protest is based on the solicitation. A protest is considered filed when received by the Chief Procurement Officer. Protests filed after the seven (7) calendar days period shall not be considered. The Chief Procurement Officer shall submit a copy of the protest to the Office of Personal Service Contract Review within three (3) business days of receipt of a written protest. The Office of Personal Service Contract Review shall forward a copy of the protest to the Special Assistant Attorney General. To file a protest directly to the PPRB, the aggrieved party shall file a protest with the Office of Personal Service Contract Review within seven (7) calendar days after the aggrieved party knew or should have known of the facts and circumstances upon which the protest is based, but in no event later than within seven (7) calendar days of the solicitation posting or award

5.2.1 Content of Protest

To expedite handling of protests, the envelope should be labeled "Protest." The written protest shall include as a minimum the following: (a) the name and address of the protestor; (b) appropriate identification of the procurement and if a contract has been awarded, its number; (c) a statement of reasons for the protest; and (d) supporting exhibits, evidence, or documents to substantiate any claims unless not available within the filing time in which case the expected availability date shall be indicated.

5.3 Statement of Qualifications Exceptions

Offerors taking exception to any part or section of the solicitation shall indicate such exceptions on the Statement of Qualification Exception Summary Form (**Attachment D**). Failure to indicate any exception will be interpreted as the Offeror's intent to comply fully with the requirements as written. Conditional or qualified bids, unless specifically allowed, shall be subject to rejection in whole or in part.

5.4 Required Contract Terms and Conditions

Any contract entered into between MDCPS and a vendor/Offeror shall include the required clauses found in **Attachment N** and those required by the *Public Procurement Review Board, Office of Personal Service Contract Review Rules and Regulations* as updated.

5.5 Approval

It is understood that if this contract requires approval by the Public Procurement Review Board and/or the Mississippi Department of Finance and Administration Office of Personal Service Contract Review and this contract is not approved by the PPRB and/or OPSCR, it is void and no payment shall be made hereunder.

1) Order to Stop Work: MDCPS may, by written order to Independent Contractor at any time, and without notice to any surety, require Independent Contractor to stop all or any part of the work called for by this contract. This order shall be for a specified period not exceeding 90 days after the order is delivered to Independent Contractor, unless the parties agree to any further period. Any such order shall be identified specifically as a stop work order issued pursuant to this clause. Upon receipt of such an order, Independent Contractor shall forthwith comply with its terms and take all reasonable steps to minimize the occurrence of costs allocable to the work covered by the order during the period of work stoppage. Before the stop work order expires, or within any further period to which the parties shall have agreed, MDCPS shall either:

a) cancel the stop work order; or,

b) terminate the work covered by such order as provided in the Termination for Default clause or the Termination for Convenience clause of this contract.

2) Cancellation or Expiration of the Order: If a stop work order issued under this clause is canceled at any time during the period specified in the order, or if the period of the order or any extension thereof expires, Independent Contractor shall have the right to resume work. An appropriate adjustment shall be made in the

delivery schedule or Independent Contractor price, or both, and the contract shall be modified in writing accordingly, if:

- a) the stop work order results in an increase in the time required for, or in Independent Contractor's cost properly allocable to, the performance of any part of this contract; and,
 - b) Independent Contractor asserts a claim for such an adjustment within 30 days after the end of the period of work stoppage; provided that, if MDCPS decides that the facts justify such action, any such claim asserted may be received and acted upon at any time prior to final payment under this contract.
- 3) **Termination of Stopped Work:** If a stop work order is not canceled and the work covered by such order is terminated for default or convenience, the reasonable costs resulting from the stop work order shall be allowed by adjustment or otherwise.
 - 4) **Adjustments of Price:** Any adjustment in contract price made pursuant to this clause shall be determined in accordance with the Price Adjustment clause of this contract.

16. Termination. The Commissioner may terminate this contract with or without cause upon thirty (30) days prior written notice to the Independent Contractor.

17. Termination for Convenience.

- 1) *Termination.* The Commissioner or designee may, when the interests of the State so require, terminate this contract in whole or in part, for the convenience of the State. The Commissioner or designee shall give written notice of the termination to Independent Contractor specifying the part of the contract terminated and when termination becomes effective.
- 2) *Independent Contractor's Obligations.* Independent Contractor shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination Independent Contractor will stop work to the extent specified. Independent Contractor shall also terminate outstanding orders and subcontracts as they relate to the terminated work. Independent Contractor shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated work. The Commissioner or designee may direct Independent Contractor to assign Independent Contractor's right, title, and interest under terminated orders or subcontracts to the State. Independent Contractor must still complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.

18. Termination for Default.

- 1) *Default.* If Independent Contractor refuses or fails to perform any of the provisions of this contract with such diligence as will ensure its completion within the time

specified in this contract or any extension thereof, or otherwise fails to timely satisfy the contract provisions, or commits any other substantial breach of this contract, the Commissioner or designee may notify Independent Contractor in writing of the delay or nonperformance and if not cured in ten (10) days or any longer time specified in writing by the Commissioner or designee, such officer may terminate Independent Contractor's right to proceed with the contract or such part of the contract as to which there has been delay or a failure to properly perform. In the event of termination in whole or in part, the Commissioner or designee may procure similar supplies or services in a manner and upon terms deemed appropriate by the Commissioner or designee. Independent Contractor shall continue performance of the contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services.

- 2) *Contractor's Duties.* Notwithstanding termination of the contract and subject to any directions from the procurement officer, Independent Contractor shall take timely, reasonable, and necessary action to protect and preserve property in the possession of Independent Contractor in which the State has an interest.
- 3) *Compensation.* Payment for completed services delivered and accepted by the State shall be at the contract price. The State may withhold from amounts due Independent Contractor such sums as the Commissioner or designee deems to be necessary to protect the State against loss because of outstanding liens or claims of former lien holders and to reimburse the State for the excess costs incurred in procuring similar goods and services.
- 4) *Excuse for Nonperformance or Delayed Performance.* Except with respect to defaults of subcontractors, Independent Contractor shall not be in default by reason of any failure in performance of this contract in accordance with its terms (including any failure by Independent Contractor to make progress in the prosecution of the work hereunder which endangers such performance) if Contractor has notified the Commissioner or designee within 15 days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of the public enemy; acts of the State and any other governmental entity in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, Independent Contractor shall not be deemed to be in default, unless the services to be furnished by the subcontractor were reasonably obtainable from other sources in sufficient time to permit Independent Contractor to meet the contract requirements. Upon request of Independent Contractor, the Commissioner or designee shall ascertain the facts and extent of such failure, and, if such officer determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, Independent Contractor's progress and performance would have met the terms of the contract, the delivery schedule shall be revised accordingly, subject to the rights of the State under the clause entitled in fixed-priced contracts,

“Termination for Convenience”. (As used in this Paragraph of this clause, the term “subcontractor” means subcontractor at any tier).

- 5) *Erroneous Termination for Default.* If, after notice of termination of Independent Contractor’s right to proceed under the provisions of this clause, it is determined for any reason that the contract was not in default under the provisions of this clause, or that the delay was excusable under the provisions of Paragraph (4) (Excuse for Nonperformance or Delayed Performance) of this clause, the rights and obligations of the parties shall, if the contract contains a clause providing for termination for convenience of the State, be the same as if the notice of termination had been issued pursuant to such clause.
 - 6) *Additional Rights and Remedies.* The rights and remedies provided in this clause are in addition to any other rights and remedies provided by law or under this contract.
19. Termination Upon Bankruptcy. This contract may be terminated in whole or in part by MDCPS upon written notice to Independent Contractor, if Independent Contractor should become the subject of bankruptcy or receivership proceedings, whether voluntary or involuntary, or upon the execution by Independent Contractor of an assignment for the benefit of its creditors. In the event of such termination, Independent Contractor shall be entitled to recover just and equitable compensation for satisfactory work performed under this contract, but in no case shall said compensation exceed the total contract price.
20. Modification or Renegotiation. This agreement may be modified only by written agreement signed by the parties hereto. The parties agree to renegotiate the agreement if federal and/or state revisions of any applicable laws or regulations make changes in this agreement necessary. Modifications shall not be initiated by the Independent Contractor within the last 90 days of the contract period, without prior approval from the Commissioner’s Office.
21. Anti-assignment/Subcontracting. Contractor acknowledges that it was selected by the State to perform the services required hereunder based, in part, upon Contractor’s special skills and expertise. Contractor shall not assign, subcontract, or otherwise transfer this agreement, in whole or in part, without the prior written consent of the State, which the State may, in its sole discretion, approve or deny without reason. Any attempted assignment or transfer of its obligations without such consent shall be null and void. No such approval by the State of any subcontract shall be deemed in any way to provide for the incurrence of any obligation of the State in addition to the total fixed price agreed upon in this agreement. Subcontracts shall be subject to the terms and conditions of this agreement and to any conditions of approval that the State may deem necessary. Subject to the foregoing, this agreement shall be binding upon the respective successors and assigns of the parties.
22. Non-Solicitation of Employees. Each party to this agreement agrees not to employ or to solicit for employment, directly or indirectly, any persons in the full-time or part-time employment of the other party until at least six (6) months after this agreement terminates

unless mutually agreed to in writing by the State or Contractor.

23. Waiver. No delay or omission by either party to this agreement in exercising any right, power, or remedy hereunder or otherwise afforded by contract, at law, or in equity shall constitute an acquiescence therein, impair any other right, power or remedy hereunder or otherwise afforded by any means, or operate as a waiver of such right, power, or remedy. No waiver by either party to this agreement shall be valid unless set forth in writing by the party making said waiver. No waiver of or modification to any term or condition of this agreement will void, waive, or change any other term or condition. No waiver by one party to this agreement of a default by the other party will imply, be construed as or require waiver of future or other defaults.
24. E-Payment. Independent Contractor agrees to accept all payments in United States currency via the State of Mississippi's electronic payment and remittance vehicle. The agency agrees to make payment in accordance with Mississippi law on "Timely Payments for Purchases by Public Bodies," which generally provides for payment of undisputed amounts by the agency within forty-five (45) days of receipt of invoice. Mississippi Code Annotated § 31-7-301 et seq.
25. E-Verify. If applicable, Independent Contractor represents and warrants that it will ensure its compliance with the Mississippi Employment Protection Act of 2008, and will register and participate in the status verification system for all newly hired employees. Mississippi Code Annotated §§ 71-11-1 et seq. The term "employee" as used herein means any person that is hired to perform work within the State of Mississippi. As used herein, "status verification system" means the Illegal Immigration Reform and Immigration Responsibility Act of 1996 that is operated by the United States Department of Homeland Security, also known as the E-Verify Program, or any other successor electronic verification system replacing the E-Verify Program. Independent Contractor agrees to maintain records of such compliance. Upon request of the State and after approval of the Social Security Administration or Department of Homeland Security when required, Independent Contractor agrees to provide a copy of each such verification. Independent Contractor further represents and warrants that any person assigned to perform services hereafter meets the employment eligibility requirements of all immigration laws. The breach of this agreement may subject Independent Contractor to the following:
 - (1) termination of this contract for services and ineligibility for any state or public contract in Mississippi for up to three (3) years with notice of such cancellation/termination being made public;
 - (2) the loss of any license, permit, certification or other document granted to Independent Contractor by an agency, department or governmental entity for the right to do business in Mississippi for up to one (1) year; or,
 - (3) both. In the event of such cancellation/termination, Independent Contractor would also be liable for any additional costs incurred by the State due to Contract cancellation or loss of license or permit to do business in the State.
26. Transparency. This contract, including any accompanying exhibits, attachments, and appendices, is subject to the "Mississippi Public Records Act of 1983," and its exceptions.

See Mississippi Code Annotated §§ 25-61-1 *et seq.* and Mississippi Code Annotated § 79-23-1. 27. Paymode. Payments by state agencies using the State's accounting system shall be made and remittance information provided electronically as directed by the State. These payments shall be deposited into the bank account of Independent Contractor's choice. The State may, at its sole discretion, require Independent Contractor to electronically submit invoices and supporting documentation at any time during the term of this Agreement. Independent Contractor understands and agrees that the State is exempt from the payment of taxes. All payments shall be in United States currency.
