1.1.2. Late Submissions

A bid received at the place designated in the solicitation for receipt of bids after the exact time specified for receipt will not be considered it is determined by MDCPS that the late receipt was due solely to mishandling by MDCPS after receipt at the specified address.

The only acceptable evidence to establish the date of mailing is the U.S. Postal Service post-mark on the wrapper or on the original receipt from the U.S. Postal Service. If the postmark does not show a legible date, the contents of the envelope or package shall be processed as if mailed late. “Postmark” means a printed, stamped, or otherwise placed impression, exclusive of a postage meter impression, that is readily identifiable without further action as having been supplied and affixed by the U.S. Postal Service on the date of mailing. Bidders should request
postal clerks to place a hand cancellation postmark (often called a bull’s eye) on both the receipt and the envelope or wrapper. MDCPS will not be responsible for mail delays or lost mail.

The only acceptable evidence to establish the time of receipt at the office identified for bid opening is the time and date stamp of that office on the bid wrapper or other documentary evidence of receipt used by that office.

1.2. Expenses Incurred in Preparing Bid
MDCPS accepts no responsibility for any expense incurred by the bidder in the preparation and presentation of a bid. Such expenses shall be borne exclusively by the bidder.

1.3. Bid Form
All pricing must be submitted on the bid form (Attachment B). Failure to complete and/or sign the bid form may result in the bidder being determined nonresponsive.

1.3.1. Bidder Certification
The bidder agrees that submission of a signed bid form is certification that the bidder will accept an award made to it as a result of the submission.

1.3.2. Independent Price Determination
By submitting a bid, the bidder certifies that the prices submitted in response to the solicitation have been arrived at independently and without, for the purpose of restricting competition, any consultation, communication, or agreement with any other bidder or competitor relating to those prices, the intention to submit a bid, or the methods or factors used to calculate the bid. The prices quoted shall be inclusive of, but not limited to, the following: all required equipment/material; all required insurance; all required overhead; all required profit; all required vehicles; all required fuel; and, all required licenses, certifications, fees, or permits.

1.4. Registration with Mississippi Secretary of State
By submitting a bid, the bidder certifies that it is registered to do business in the State of Mississippi as prescribed by Mississippi law and the Mississippi Secretary of State or, if not already registered, that it will do so within five (5) business days of being offered an award. Sole proprietors are not required to register with the Mississippi Secretary of State.

1.5. Debarment
By submitting a bid, the bidder certifies that it is not currently debarred from submitting bids for contracts issued by any political subdivision or agency of the State of Mississippi or Federal government and that it is not an agent of a person or entity that is currently debarred from submitting bids for contracts issued by any political subdivision or agency of the State of Mississippi or federal government. The bidder shall submit a completed MDCPS Debarment Verification Form, attached to this IFB as Attachment F. Attachment F shall be received by MDCPS, in the bid packet submitted by the bidder, no later than 9:00 AM CST, on April 22, 2022. MDCPS reserves the right to deem any bid packet not containing an executed MDCPS Debarment Verification Form, as non-responsive to the IFB.
1.6. Registration with Mississippi’s Accountability System for Governmental Information and Collaboration (MAGIC)

If the respondent is not already registered as a supplier in MAGIC, the respondent should register as a supplier with the State of Mississippi. Registering as a supplier with the State of MS allows businesses to register for upcoming opportunity notifications by the products they supply, search the system for upcoming solicitations, respond to solicitations electronically, and receive purchase orders via e-mail. The registration can be completed at the following link:

1.7. Proprietary Information

Any bidder claiming that its response contains information exempt from the Mississippi Public Records Act (Mississippi Code Annotated §§ 25-61-1, et. seq., and 79-23-1), shall segregate and mark the information as confidential and provide the specific statutory authority for the exemption. The bidder shall submit a completed Proprietary Information Form, attached to this IFB as Attachment E.

1.8. Additional Information

All questions and requests for clarification concerning this procurement document must be submitted in writing via email to Deanisha Hopson at Deanisha.Hopson@mdcps.ms.gov by the deadline reflected in Section 1.1.1. MDCPS will not be bound by any verbal or written information that is not contained within this IFB unless formally noticed and issued by MDCPS. The acknowledgment should be received by the MDCPS by the time and at the place specified for receipt of bids as reflected in Section 1.1.1. It is the bidder’s sole responsibility to monitor the website for amendments to the IFB.

This IFB, all questions, requests for clarification, and answers will be published on the Mississippi Contract/Procurement Opportunity Search Portal and the Mississippi Department of Child Protection Services (hereinafter “MDCPS”) website (http://www.mdcp.ms.gov) in a manner that all bidders will be able to view by the date reflected in Section 1.1.1.

The total number of renewal years permitted shall not exceed four (4).

Renewal years are subject to the needs of MDCPS, as well as the availability and appropriation of funds. The Chief Procurement Officer shall notify the contractor, on a timely basis, that funds are or are not available for the continuation of the contract for each succeeding fiscal period. A multi-term contract will be canceled if funds are not appropriated or otherwise made available to support the continuation of performance in any fiscal period succeeding the first; however, this
does not affect either the State’s rights or the contractor’s rights under any termination clause in the contract.

Compensation for services will be in the form of a Firm Fixed Price Adjustment. A unit price shall be given for each service, and that unit price shall be the same throughout the contract.

SECTION 3

Insurance carriers must be licensed or hold a Certificate of Authority from the Mississippi Department of Insurance. The vendor shall be prepared to provide evidence of required insurance upon request by MDCPS at any point during the contract period and should consult with legal counsel regarding its obligations.

SECTION 4

4.1. Bid Evaluation
Bids will be evaluated based on the requirements set forth in IFB No. 3160004981, which may include criteria to determine acceptability, such as, inspection, testing, quality, workmanship, delivery, and suitability for a particular purpose. Those criteria that will affect that will affect the bid price and be considered in evaluation for award shall be objectively measured where possible. This IFB sets forth the evaluation criteria to be used. No criteria will be used in an evaluation that is not set forth in this IFB. Only bidders who are found responsive and responsible will have their bids considered.

4.1.1. Responsive Bidder
Bidder must submit bid which conforms in all material respects to this IFB No. 3160004981, as determined by MDCPS.

4.1.2. Responsible Bidder

2. Bidder must maintain an office in the State of Mississippi, or if bidder does not have an office in State of Mississippi, bidder must explain how it will service the State of Mississippi on the Bid Cover Sheet and must provide all the required information for verification purposes.

3. These minimum qualifications are in addition to a minimum score of six (6) on the Reference Score Sheet (Attachment D) from reference interview by MDCPS staff with two (2) bidder references for a total minimum scoring requirement of twelve
(12) points), as well as all other requirements of this IFB. (See Attachment C & Attachment D.)

4.1.4. Exceptions
Bidders taking exception to any part or section of the solicitation shall indicate such exceptions on the bid form. Failure to indicate any exception will be interpreted as the bidder’s intent to comply fully with the requirements as written. Conditional or qualified bids, unless specifically allowed, shall be subject to rejection in whole or in part.

4.1.5. Informalities & Irregularities
MDCPS has the right to waive minor defects or variations of a bid from the exact requirements of the specifications that do not affect the price, quality, quantity, delivery, or performance time of the services being procured. If insufficient information is submitted by a bidder with the bid for MDCPS to properly evaluate the bid, MDCPS has the right to require such additional information as it may deem necessary after the time set for receipt of bids, provided that the information requested does not change the price, quality, quantity, delivery, or performance time of the services being procured.

4.1.6. Rejection of Bids
A bid response that includes terms and conditions that do not conform to the terms and conditions in the bid document is subject to rejection as non-responsive. MDCPS reserves the right to permit the bidder to withdraw nonconforming terms and conditions from its bid response prior to a determination by MDCPS of non-responsiveness based on the submission of nonconforming terms and conditions. Furthermore, if a bidder’s price is substantially higher than those of other bidders, meaning those in excess of a twenty-five percent (25%) differential, the bidder’s price will be deemed non-responsive.

4.1.7. Bid Withdrawals
If the price bid is substantially lower than those of other bidders, a mistake may have been made. A bidder may withdraw its bid from consideration if certain conditions are met:

1. The bid is submitted in good faith.
2. The price bid is substantially lower than those of other bidders because of a mistake
3. The mistake is a clerical error, not an error of judgement.
4. Objective evidence drawn from original work papers, documents, and other materials used in the preparation of the bid demonstrates clearly that the mistake was an unintentional error in arithmetic or an unintentional omission of a quantity of labor or material.

To withdraw a bid that includes a clerical error after Bid Opening, the bidder must give notice in writing to MDCPS of its claim of right to withdraw a bid. Within two (2) business days after the bid opening, the bidder requesting withdrawal must provide to MDCPS, all original work papers, documents, and other materials used in the preparation of the bid.

A bidder may also withdraw a bid, prior to the time set for the opening of bids, by simply making a request in writing to MDCPS. No explanation is required.

4.1.8. Conditioning Bid Upon Other Awards
Any bid which is conditioned upon receiving award of both the particular contract being solicited and another Mississippi Contract shall be deemed non-responsive, and not be acceptable.

4.1.9. Bid Submission Format
The bid package must be sealed and must contain the following:

- Bid Cover Sheet (Attachment A)
- Bid Form (Attachment B)
- References (Attachment C)
- Proprietary Form (Attachment E)
- Debarment Form (Attachment F)

4.1.10. References
Each bidder must furnish a listing of at least three (3) trade references along with the contact person, address, and phone number for each. These references must be familiar with the bidder’s abilities in the areas involved with this solicitation. MDCPS will use these references to determine the bidder’s ability to perform the services. It is the responsibility of the bidder to ensure that the reference contact information is correct and current. Bidders should verify before submitting their bid that the contact person and phone number are correct for each reference. MDCPS staff must be able to reach two (2) references for a bidder within two (2) business days of bid opening to be considered responsive. Further, the bidder must score a minimum of six (6) points on each Reference Score Sheet which will be used by the MDCPS staff when interviewing the two (2) references (for a total minimum scoring requirement of twelve (12) points) to be considered responsive and/or responsible. (See Section 4.1.3.3 and Attachments C and D.) Only bidders who are found responsive and responsible will have their bids considered. The bidder may submit as many references as desired. MDCPS will begin contacting references at the top of the list and will continue down the list until MDCPS completes Reference Score Sheets for two (2) references.

4.2. Bid Opening
Bid opening will be open to the public; however, this will include opening, reading aloud, and listing the bid price on each bid only. No discussions will be entered into with any bidder as to the quality or provisions of the specifications and no award will be made, either stated or implied at the bid opening.

4.3. Award
The Contract will be awarded by written notice to the lowest responsible bidder whose bid meets the requirements and criteria set forth in this IFB on date specified as reflected in Section 1.1.1. Any bids received may be rejected in whole or in part when in the best interest of the State.

4.3.2. Contract Management
If contractor fails to adhere to the Employee Assistance Program schedule, or if contractor fails to satisfactorily provide the prescribed service to all or any service area, MDCPS will inform contractor, and contractor shall complete corrective action within twenty-four (24)
hours. No payment shall be made to contractor until all deficiencies have been corrected. If contractor exhibits a pattern of non-performance as shown by repeated deficiencies, MDCPS may terminate the Contract without further obligation to contractor. (MDCPS may elect to use the form included as Attachment I, EAP Services Discrepancy Report.)

SECTION 5

5.1. Post-Award Vendor Debriefing
A bidder, successful or unsuccessful, may request a Post-Award Debriefing, in writing, by U.S. Mail or electronic submission. The written request must be received by the Commissioner of MDCPS within three (3) business days of notification of the contract award. A Post-Award Debriefing is a meeting and not a hearing; therefore, legal representation is not required. A debriefing typically occurs within three (3) business days of receipt of the request. If a bidder prefers to have legal representation present, the bidder must notify the Commissioner of MDCPS in writing and identify its attorney by name, address, and telephone number. MDCPS will schedule and/or suspend and reschedule the meeting at a time when a Representative of the Office of the Mississippi Attorney General can be present.

For additional information regarding Post-Award Debriefing, as well as the information that may be provided and excluded, please see Section 7-114 through 7-114.07, Post-Award Vendor Debriefing, of the Mississippi Public Procurement Review Board (PPRB), Office of Personal Service Contract Review (OPSCR) Rules and Regulations.

5.2. Protest of Award
Any actual or prospective bidder or contractor who is aggrieved in connection with this solicitation or the outcome of the IFB may file a protest with the MDCPS Commissioner. The protest shall be submitted on or before date and time specified in Section 1.1.1, in writing after such aggrieved person or entity knows or should have known of the facts giving rise thereto. All protests must be in writing, dated, signed by the bidder or an individual authorized to sign contracts on behalf of the protesting bidder, and contain a statement of the reason(s) for protest, citing the law(s), rule(s) or regulation(s), and/or procedure(s) on which the protest is based. The written protest letter shall contain an explanation of the specific basis for the protest. The protesting bidder must provide facts and evidence to support the protest. A protest is considered filed when received by the MDCPS Commissioner via either U.S. Mail, postage prepaid, or personal delivery. Protests filed after seven (7) days of award will not be considered.

5.3. Required Contract Terms & Conditions
Any contract entered into between MDCPS and a vendor/bidder shall include the required clauses found in Attachment G and those required by the Mississippi Public Procurement Review Board Office of Personal Service Contract Review Rules and Regulations.

5.4. Optional Contract Terms & Conditions

Contractor shall comply with applicable federal, state, and local laws and regulations.

2. **Approval Clause.** It is understood that if this contract requires approval by the Public Procurement Review Board (PPRB) and/or the Mississippi Department of Finance and Administration Office of Personal Service Contract Review (OPSCR) and this contract is not approved by the PPRB and/or OPSCR, it is void and no payment shall be made hereunder.

3. **Availability of Funds.** It is expressly understood and agreed that the obligation of the MDCPS to proceed under this agreement is conditioned upon the appropriation of funds by the Mississippi State Legislature and the receipt of state and/or federal funds. If the funds anticipated for the continuing fulfillment of the agreement are, at any time, not forthcoming or insufficient, either through the failure of the federal government to provide funds or of the State of Mississippi to appropriate funds or the discontinuance or material alteration of the program under which funds were provided or if funds are not otherwise available to the MDCPS, the MDCPS shall have the right upon ten (10) working days written notice to Contractor, to terminate this agreement without damage, penalty, cost or expenses to the MDCPS of any kind whatsoever. The effective date of termination shall be as specified in the notice of termination.

4. **Compliance with Laws.** Contractor understands that the MDCPS is an equal opportunity employer and therefore, maintains a policy which prohibits unlawful discrimination based on race, color, creed, sex, age, national origin, physical handicap, disability, genetic information, or any other consideration made unlawful by federal, state, or local laws. All such discrimination is unlawful, and Contractor agrees during the term of the agreement that Contractor will strictly adhere to this policy in its employment practices and provision of services. Mississippi Code Annotated § 31-7-301 et seq.

6. **E-Verification.** If applicable, Contractor represents and warrants that it will ensure its compliance with the Mississippi Employment Protection Act of 2008 and will register and participate in the status verification system for all newly hired employees. compliance. Upon request of the State and after approval of the Social Security Administration or Department of Homeland Security when required, Contractor agrees to provide a copy of each such verification. Contractor further represents and warrants that any person assigned to perform services hereafter meets the employment eligibility requirements of all immigration laws. The breach of this agreement may subject Contractor to the following:

a. termination of this contract for services and ineligibility for any state or public contract in Mississippi for up to three (3) years with notice of such cancellation/termination being made public; or

b. the loss of any license, permit, certification or other document granted to Contractor by an agency, department or governmental entity for the right to do business in Mississippi for up to one (1) year; or,

Such certificate shall contain provisions that coverage afforded under the policies shall not be cancelled, terminated, or materially altered until at least thirty (30) days prior notice has been given to the MDCPS. Cancellation of the above-mentioned referenced insurance shall be grounds for termination of this contract. Failure on the part of the Contract or to procure or maintain the required insurance and provide proof thereof to MDCPS shall constitute a material breach of the contract upon which the MDCPS may immediately terminate this Contract.

8. Paymode. Payments by state agencies using the State’s accounting system shall be made and remittance information provided electronically as directed by the State. Any such order shall be identified specifically as a stop work order issued pursuant to this clause. Upon receipt of such an order, Contractor shall forthwith comply with its terms and take all reasonable steps to minimize the occurrence of costs allocable to the work covered by the order during the period of work stoppage. Before the stop work order expires, or within any further period to which the parties shall have agreed, the Procurement Officer shall either:

Contractor shall also terminate outstanding orders and sub-contracts as they relate to the terminated work. Contractor shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated work. The MDCPS Commissioner or designee may direct Contractor to assign Contractor’s right, title, and interest under terminated orders or subcontracts to the State. Contractor must still complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.

14. **Termination for Default.**

a. **Default.** If Contractor refuses or fails to perform any of the provisions of this contract with such diligence as will ensure its completion within the time specified in this contract or any extension thereof, or otherwise fails to timely satisfy the contract provisions, or commits any other substantial breach of this contract, the MDCPS Commissioner or designee may notify Contractor in writing of the delay or nonperformance and if not cured in ten (10) days or any longer time specified in writing by the MDCPS Commissioner or de-signee, such officer may terminate Contractor’s right to proceed with the contract or such part of the contract as to which there has been delay or a failure to properly perform. In the event of termination in whole or in part, the MDCPS Commissioner or designee may procure similar supplies or services in a manner and upon terms deemed appropriate by the MDCPS Commissioner or designee. Contractor shall continue performance of the contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services.

b. **Contractor's Duties.** Notwith standing termination of the contract and subject to any directions from the procurement officer, Contractor shall take timely, reasonable, and necessary action to protect and preserve property in the possession of Contractor in which the State has an interest.

c. **Compensation.** Payment for completed services delivered and accepted by the State shall be at the contract price. The State may withhold from amounts due Contractor such sums as the MDCPS Commissioner or designee deems to be necessary to protect the State against loss because of outstanding liens or claims of former lien holders and to reimburse the State for the excess costs incurred in procuring similar goods and services.

d. **Excuse for Nonperformance or Delayed Performance.** Except with respect to defaults of subcontractors, Contractor shall not be in default by reason of any failure in performance of this contract in accordance with its terms (including any failure by Contractor to make progress in the prosecution of the work hereunder which endangers such performance) if Contractor has notified the MDCPS Commissioner or designee
within 15 days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of the public enemy; acts of the State and any other governmental entity in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, Contractor shall not be deemed to be in default, unless the services to be furnished by the subcontractor were reasonably obtainable from other sources in sufficient time to permit Contractor to meet the contract requirements. Upon request of Contractor, the MDCPS Commissioner or designee shall ascertain the facts and extent of such failure, and, if such officer determines that any failure to perform was occasioned by any one (1) or more of the excusable causes, and that, but for the excusable cause, Contractor’s progress and performance would have met the terms of the contract, the delivery schedule shall be revised accordingly, subject to the rights of the State under the clause entitled in fixed-price contracts, “Termination for Convenience”. (As used in this Paragraph of this clause, the term “subcontractor” means subcontractor at any tier).

e. **Erroneous Termination for Default.** If, after notice of termination of Contractor’s right to proceed under the provisions of this clause, it is determined for any reason that the contract was not in default under the provisions of this clause, or that the delay was excusable under the provisions of Paragraph (4) (Excuse for Nonperformance or Delayed Performance) of this clause, the rights and obligations of the parties shall, if the contract contains a clause providing for termination for convenience of the State, be the same as if the notice of termination had been issued pursuant to such clause.

f. **Additional Rights and Remedies.** The rights and remedies provided in this clause are in addition to any other rights and remedies provided by law or under this contract.

15. **Termination Upon Bankruptcy.** This contract may be terminated in whole or in part by MDCPS upon written notice to Contractor, if Contractor should become the subject of bankruptcy or receivership proceedings, whether voluntary or involuntary, or upon the execution by Contractor of an assignment for the benefit of its creditors. In the event of such termination, Contractor shall be entitled to recover just and equitable compensation for satisfactory work performed under this contract, but in no case shall said compensation exceed the total contract price.

16. **Trade Secrets, Commercial and Financial Information.** It is expressly understood that Mississippi law requires that the provisions of this contract which contain the commodities purchased or the personal or professional services provided, the price to be paid, and the term of the contract shall not be deemed to be a trade secret or confidential commercial or financial information and shall be available for examination, copying, or reproduction.

17. **Transparency.** This contract, including any accompanying exhibits, attachments, and appendices, is subject to the “Mississippi Public Records Act of 1983,” and its exceptions. Subject to the foregoing, this agreement shall be binding upon the respective successors and assigns of the parties.

4. **Confidentiality.** Notwithstanding any provision to the contrary contained herein, it is recognized that MDCPS is a public agency of the State of Mississippi and is subject to the Mississippi Public Records Act. Mississippi Code Annotated §§ 25-61-1 et seq. If a public records request is made for any information provided to MDCPS pursuant to the agreement and designated by the Contractor in writing as trade secrets or other proprietary confidential information, MDCPS shall follow the provisions of Mississippi Code Annotated §§ 25-61-9 and 79-23-1 before disclosing such information. The MDCPS shall not be liable to the Contractor for disclosure of information required by court order or required by law.

5. **Contractor Personnel.** The MDCPS shall, throughout the life of the contract, have the right of reasonable rejection and approval of staff or subcontractors assigned to the work by Contractor. This section shall survive the termination or completion of this agreement. The parties agree that this section is subject to and superseded by Mississippi Code Annotated §§ 25-61-1 et seq.

8. **Exceptions to Confidential Information.** Contractor and the State shall not be obligated to treat as confidential and proprietary any information disclosed by the other party ("disclosing party") which:

This remedy shall be in addition to any other remedies that the MDCPS may have.

11. **Failure to Enforce.** Failure by the MDCPS at any time to enforce the provisions of the contract shall not be construed as a waiver of any such provisions. Such failure to enforce shall not affect the validity of the contract or any part thereof or the right of the MDCPS to enforce any provision at any time in accordance with its terms.

12. **Final Payment.** Upon satisfactory completion of the work performed under this contract, as a condition before final payment under this contract, or as a termination settlement under this contract, Contractor shall execute and deliver to the MDCPS a release of all claims against the State arising under, or by virtue of, the contract, except claims which are specifically exempted by Contractor to be set forth therein. Unless otherwise provided in this contract, by state law, or otherwise expressly agreed to by the parties in this contract, final payment under the contract or settlement upon termination of this contract shall not constitute waiver of the State’s claims against Contractor under this contract.

13. **Force Majeure.** Each party shall be excused from performance for any period and to the extent that it is prevented from performing any obligation or service, in whole or in part, as a result of causes beyond the reasonable control and without the fault or negligence of such party and/or its subcon-tractors. Such acts shall include without limitation acts of God, strikes, lockouts, riots, acts of war, epidemics, governmental regulations superimposed after the fact, fire, earthquakes, floods, or other natural disasters (“force majeure events”). When such a cause arises, Contractor shall notify the State immediately in writing of the cause of its inability to perform, how it affects its performance, and the anticipated duration of the inability to perform. Delays in delivery or in meeting completion dates due to force majeure events shall automatically extend such dates for a period equal to the duration of the delay caused by such events, unless the State determines it to be in its best interest to terminate the agreement.

14. **HIPAA Compliance.** Contractor agrees to comply with the “Administrative Simplification” provisions of the Health Insurance Portability and Accountability Act of 1996, including electronic data interchange, code sets, identifiers, security, and privacy provisions, as may be applicable to the services under this contract.

15. **Indemnification.** To the fullest extent allowed by law, Contractor shall indemnify, defend, save and hold harmless, protect, and exonerate the agency, its commissioners, board members, officers, employees, agents, and representatives, and the State of Mississippi from and against all claims, demands, liabilities, suits, actions, damages, losses, and costs of every kind and nature whatsoever including, without limitation, court costs, investigative fees and expenses, and attorney’s fees, arising out of or caused by Contractor and/or its partners, principals, agents, employees and/or subcontractors in the performance of or failure to perform this agreement. In the State’s sole discretion, Contractor may be allowed to control the defense of any such claim, suit, etc. In the event Contractor defends said claim, suit, etc., Contractor shall use legal counsel acceptable to the State.
Contractor shall be solely responsible for all costs and/or expenses associated with such defense, and the State shall be entitled to participate in said defense. Contractor shall not settle any claim, suit, etc. without the State’s concurrence, which the State shall not unreasonably withhold.

16. **Independent Contractor Status.** Contractor shall, at all times, be regarded as and shall be legally considered an independent contractor and shall at no time act as an agent for the State. Nothing contained herein shall be deemed or construed by the State, Contractor, or any third party as creating the relationship of principal and agent, master and servant, partners, joint ventures, employer and employee, or any similar such relationship between the State and Contractor. Neither the method of computation of fees or other charges, nor any other provision contained herein, nor any acts of the State or Contractor hereunder creates, or shall be deemed to create a relationship other than the independent relationship of the State and Contractor. Contractor’s personnel shall not be deemed in any way, directly or indirectly, expressly or by implication, to be employees of the State. Neither Contractor nor its employees shall, under any circumstances, be considered servants, agents, or employees of the MDCPS, and the MDCPS shall be at no time legally responsible for any negligence or other wrongdoing by Contractor, its servants, agents, or employees. The MDCPS shall not withhold from the contract payments to Contractor any federal or state unemployment taxes, federal or state income taxes, Social Security tax, or any other amounts for benefits to Contractor. Further, the MDCPS shall not provide to Contractor any insurance coverage or other benefits, including Worker’s Compensation, normally provided by the State for its employees.

17. **Information Designated by Contractor as Confidential.** Any disclosure of those materials, documents, data, and other information which Contractor has designated in writing as proprietary and confidential shall be subject to the provisions of Mississippi Code Annotated §§ 25-61-9 and 79-23-1. As provided in the contract, the personal or professional services to be provided, the price to be paid, and the term of the contract shall not be deemed to be a trade secret, or confidential commercial or financial information. Any liability resulting from the wrongful disclosure of confidential information on the part of Contractor, or its subcontractor shall rest with Contractor. Disclosure of any confidential information by Contractor or its subcontractor without the express written approval of the MDCPS shall result in the immediate termination of this agreement.

18. **Integrated Agreement/Merger.** This agreement, including all contract documents, represents the entire and integrated agreement between the parties hereto and supersedes all prior negotiations, representations or agreements, irrespective of whether written or oral. This agreement may be altered, amended, or modified only by a written document executed by the State and Contractor. Contractor acknowledges that it has thoroughly read all contract documents and has had the opportunity to receive competent advice and counsel necessary for it to form a full and complete understanding of all rights and obligations herein. Accordingly, this agreement shall not be construed or interpreted in favor of or against the State or Contractor on the basis of draftsmanship or preparation hereof.

19. **Modification or Renegotiation.** This agreement may be modified only by written agreement signed by the parties hereto. The parties agree to renegotiate the agreement if federal and/or state revisions of any applicable laws or regulations make changes in this agreement necessary.
20. **No Limitation of Liability.** Nothing in this agreement shall be interpreted as excluding or limiting any tort liability of Contractor for harm caused by the intentional or reckless conduct of Contractor or for damages incurred through the negligent performance of duties by Contractor or the delivery of products that are defective due to negligent construction.

21. **Notices.** All notices required or permitted to be given under this agreement must be in writing and personally delivered or sent by certified United States mail, postage prepaid, return receipt requested, to the party to whom the notice should be given at the address set forth below. Notice shall be deemed given when actually received or when refused. The parties agree to promptly notify each other in writing of any change of address.

22. **Non-solicitation of Employees.** Each party to this agreement agrees not to employ or to solicit for employment, directly or indirectly, any persons in the full-time or part-time employment of the other party until at least six (6) months after this agreement terminates unless mutually agreed to in writing by the State and Contractor.

23. **Oral Statements.** No oral statement of any person shall modify or otherwise affect the terms, conditions, or specifications stated in this contract. All modifications to the contract must be made in writing by the MDCPS and agreed to by Contractor.

24. **Ownership of Documents and Work Papers.** MDCPS shall own all documents, files, reports, work papers and working documentation, electronic or otherwise, created in connection with the project which is the subject of this agreement, except for Contractor’s internal administrative and quality assurance files and internal project correspondence. Contractor shall deliver such documents and work papers to MDCPS upon termination or completion of the agreement. The foregoing notwithstanding, Contractor shall be entitled to retain a set of such work papers for its files. Contractor shall be entitled to use such work papers only after receiving written permission from MDCPS and subject to any copyright protections.

25. **Priority.** The contract consists of this agreement with exhibits, the procurement Invitation for Bids [number] (hereinafter referred to as IFB), and the response bid dated [date] by [CONTRACTOR NAME] (hereinafter referred to as Bid). Any ambiguities, conflicts or questions of interpretation of this contract shall be resolved by first, reference to this agreement with exhibits and, if still unresolved, by reference to the IFB and, if still unresolved, by reference to the Bid. Omission of any term or obligation from this agreement or IFB or Bid shall not be deemed an omission from this contract if such term or obligation is provided for elsewhere in this contract.

26. **Quality Control.** Contractor shall institute and maintain throughout the contract period a properly documented quality control program designed to ensure that the services are provided at all times and in all respects in accordance with the contract. The program shall include providing daily
supervision and conducting frequent inspections of Contractor’s staff and ensuring that accurate records are maintained describing the disposition of all complaints. The records so created shall be open to inspection by the MDCPS.

27. **Record Retention and Access to Records.** Provided Contractor is given reasonable advance written notice and such inspection is made during normal business hours of Contractor, the State or any duly authorized representatives shall have unimpeded, prompt access to any of Contractor’s books, documents, papers, and/or records which are maintained or produced as a result of the project for the purpose of making audits, examinations, excerpts, and transcriptions. All records related to this agreement shall be retained by Contractor for three (3) years after final payment is made under this agreement and all pending matters are closed; however, if any audit, litigation or other action arising out of or related in any way to this project is commenced before the end of the three-year period, the records shall be retained for one (1) year after all issues arising out of the action are finally resolved or until the end of the three-year period, whichever is later.

28. **Recovery of Money.** Whenever, under the contract, any sum of money shall be recoverable from or payable by Contractor to the MDCPS, the same amount may be deducted from any sum due to Contractor under the contract or under any other contract between Contractor and the MDCPS. The rights of the MDCPS are in addition and without prejudice to any other right the MDCPS may have to claim the amount of any loss or damage suffered by the MDCPS on account of the acts or omissions of Contractor.

29. **Requirements Contract.** During the period of the contract, Contractor shall provide all the service described in the contract. Contractor understands and agrees that this is a requirements contract and that the MDCPS shall have no obligation to Contractor if no services are required. Any quantities that are included in the scope of work reflect the current expectations of the MDCPS for the period of the contract. The amount is only an estimate and Contractor understands and agrees that the MDCPS is under no obligation to Contractor to buy any amount of the services as a result of having provided this estimate or of having any typical or measurable requirement in the past. Contractor further understands and agrees that the MDCPS may require services in an amount less than or in excess of the estimated annual contract amount and that the quantity actually used, whether in excess of the estimate or less than the estimate, shall not give rise to any claim for compensation other than the total of the unit prices in the contract for the quantity actually used.

30. **Right to Audit.** Contractor shall maintain such financial records and other records as may be prescribed by the MDCPS or by applicable federal and state laws, rules, and regulations. Contractor shall retain these records for a period of three years after final payment, or until they are audited by the MDCPS, whichever event occurs first. These records shall be made available during the term of the contract and the subsequent three-year period for examination, transcription, and audit by the Mississippi State Auditor’s Office, its designees, or other authorized bodies.

31. **Right to Inspect Facility.** The State may, at reasonable times, inspect the place of business of a Contractor or any subcontractor which is related to the performance of any contract awarded by the State.

32. **Severability.** If any part of this agreement is declared to be invalid or unenforceable, such invalidity
or unenforceability shall not affect any other provision of the agreement that can be given effect without the invalid or unenforceable provision, and to this end the provisions hereof are severable. In such event, the parties shall amend the agreement as necessary to reflect the original intent of the parties and to bring any invalid or unenforceable provisions in compliance with applicable law.

33. **State Property.** Contractor will be responsible for the proper custody and care of any state-owned property furnished for Contractor’s use in connection with the performance of this agreement. Contractor will reimburse the State for any loss or damage, normal wear and tear excepted.

34. **Third Party Action Notification.** Contractor shall give the customer prompt notice in writing of any action or suit filed, and prompt notice of any claim made against Contractor by any entity that may result in litigation related in any way to this agreement.

35. **Unsatisfactory Work.** If, at any time during the contract term, the service performed or work done by Contractor is considered by the MDCPS to create a condition that threatens the health, safety, or welfare of the citizens and/or employees of the State of Mississippi, Contractor shall, on being notified by the MDCPS, immediately correct such deficient service or work. In the event Contractor fails, after notice, to correct the deficient service or work immediately, the MDCPS shall have the right to order the correction of the deficiency by separate contract or with its own resources at the expense of Contractor.

36. **Waiver.** No delay or omission by either party to this agreement in exercising any right, power, or remedy hereunder or otherwise afforded by contract, at law, or in equity shall constitute an acquiescence therein, impair any other right, power or remedy hereunder or otherwise afforded by any means, or operate as a waiver of such right, power, or remedy. No waiver by either party to this agreement shall be valid unless set forth in writing by the party making said waiver. No waiver of or modification to any term or condition of this agreement will void, waive, or change any other term or condition. No waiver by one party to this agreement of a default by the other party will imply, be construed as or require waiver of future or other defaults.

37. **Renewal of Contract.** The Contract may be renewed at the discretion of the MDCPS upon written notice to Contractor at least thirty (30) days prior to each Contract Anniversary date for a period of two (2) successive two-year periods under the same prices, terms, and conditions as in the Original Contract and/or Subsequent Contracts. The total number of renewal years permitted shall not exceed four (4) years or extend past June 30, 2025.

38. **Disputes.** Any dispute concerning a question of fact under this Contract which is not disposed of by agreement shall be decided by the Director of Human Resources. This decision shall be reduced to writing and a copy thereof mailed or furnished to the Contractor and shall be final and conclusive, unless within thirty (30) days from the date of the decision, Contractor mails or furnishes to the Commissioner of MDCPS a written request for review. Pending final decision of the Commissioner of MDCPS or designee of a dispute hereunder, the Contractor shall proceed in accordance with the decision of the Director of Human Resources. In a review before the Commissioner or designee, the Contractor shall be afforded an opportunity to be heard and to offer evidence in support of its position on the question and decision under review. The decision of the Commissioner
on the review shall be final and conclusive unless determined by a court of competent jurisdiction in Hinds County, State of Mississippi, to have been fraudulent, capricious, so grossly erroneous as necessarily to imply bad faith, or is not supported by substantial evidence.
